SON GOKU

LE GUERRIER À LA FORCE INÉGALÉE ! IL S'ENTRAÎNE DEPUIS SA PLUS TENDRE ENFANCE ET A SAUVÉ LA TERRE DE NOMBREUSES FOIS ! LE SECRET DE SON POUVOIR ? SON GRAND CŒUR, SA BONNE HUMEUR ET SA SIMPLICITÉ ! IL EST EN PASSE DE DEVENIR LE HÉROS LE PLUS EXTRAORDINAIRE DE L'UNIVERS !

**LE MEILLEUR DES
GUERRIERS Z EST
UN SAÏYEN ÉLEVÉ
SUR TERRE !**

Bardack, le père de Goku, qui lutta jadis contre Freezer. Goku ignore tout de son père, y compris les circonstances de sa mort... ▾

◀ Goku bébé. Comme chez les Saïyens, il faisait partie des classes inférieures, il a été envoyé sur une planète facile à conquérir : la Terre !

Même Kamé Sennin, son maître, est stupéfait devant la puissance de ses techniques ! ▾

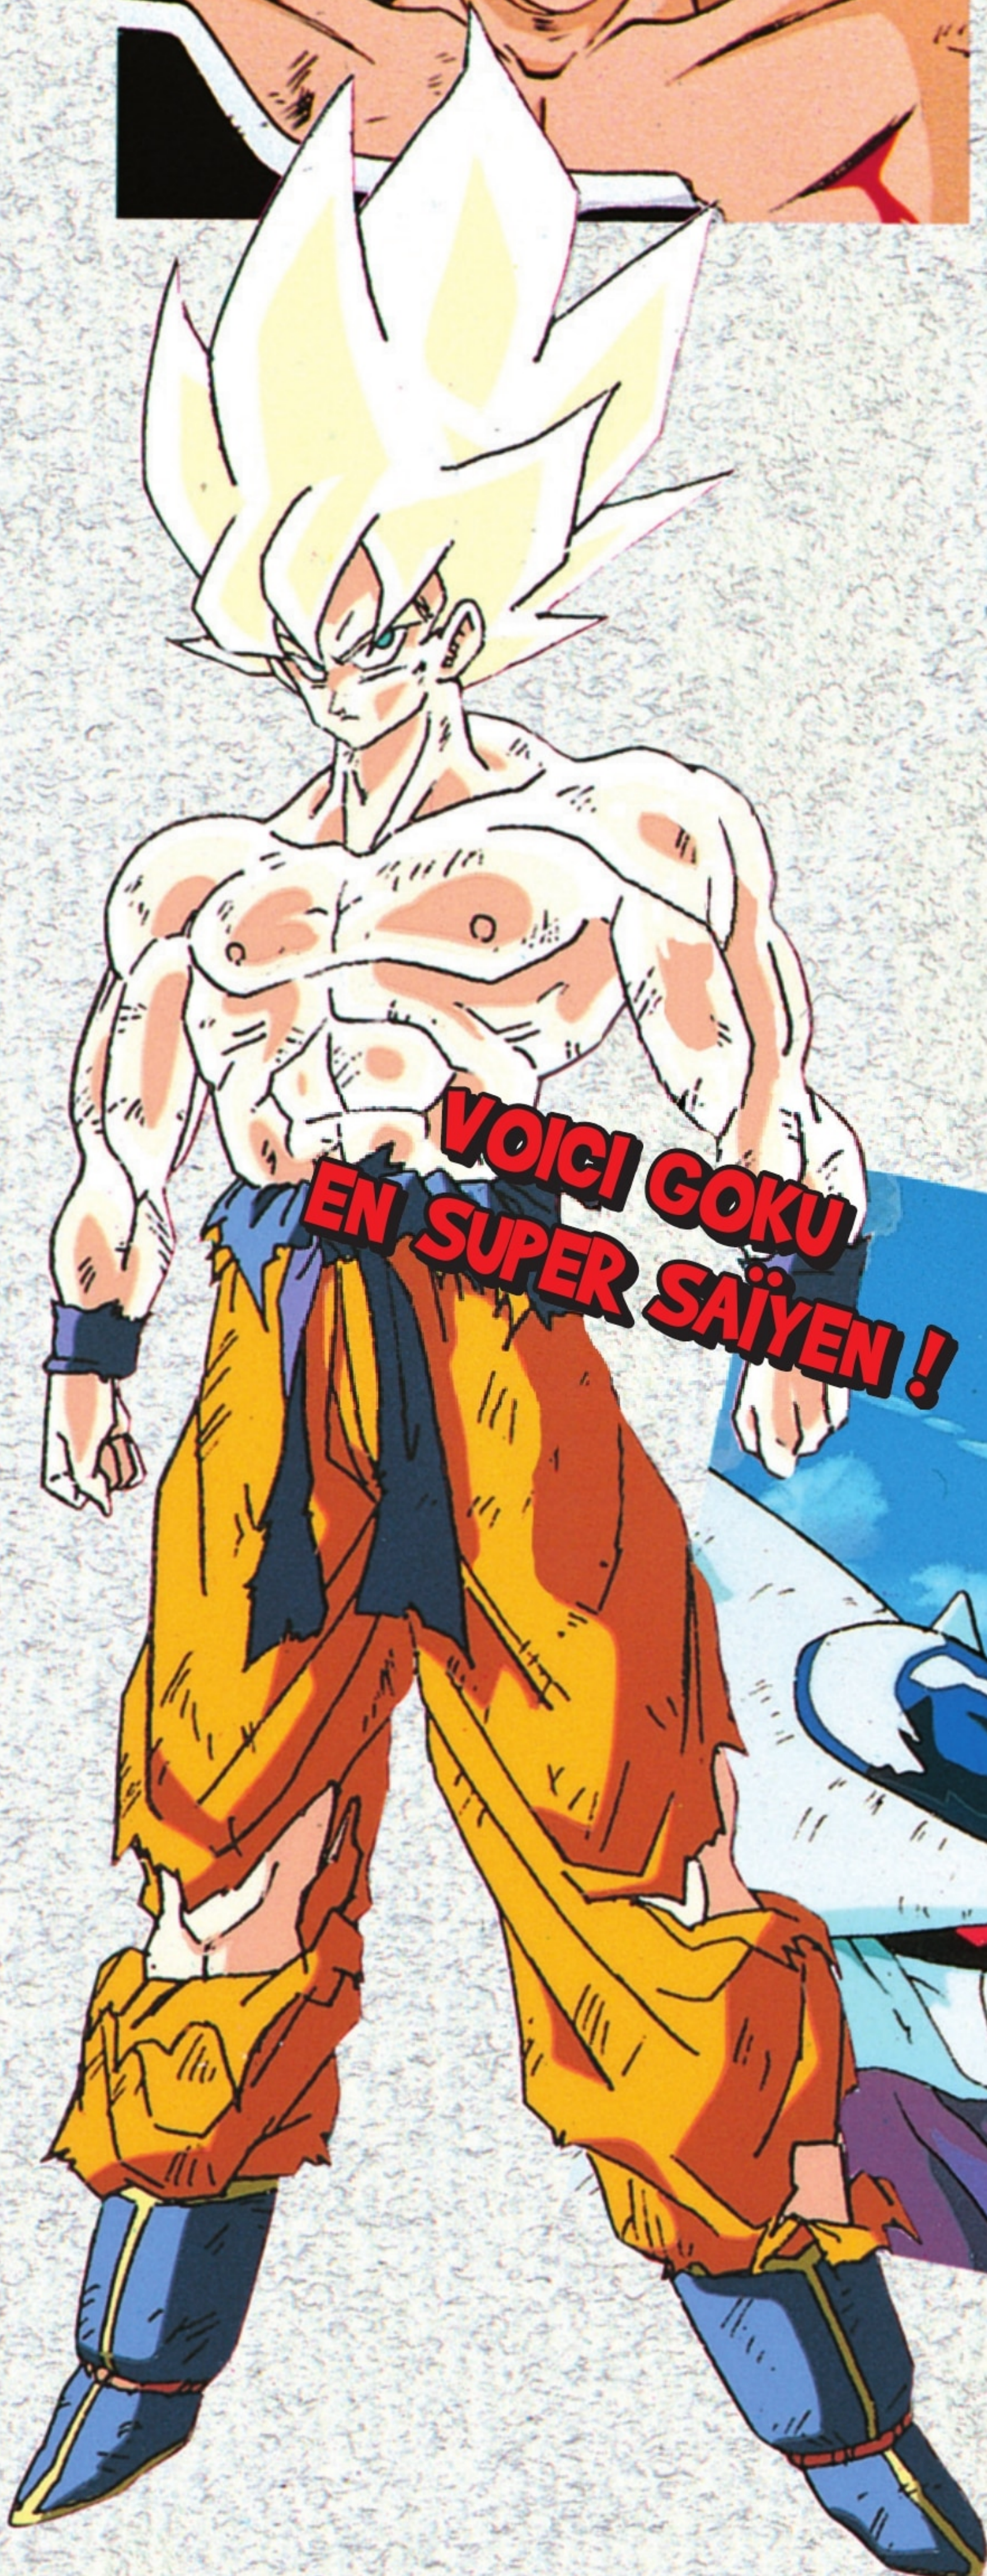

⬆ Ses Kamé Hamé Ha peuvent fendre la mer en deux.

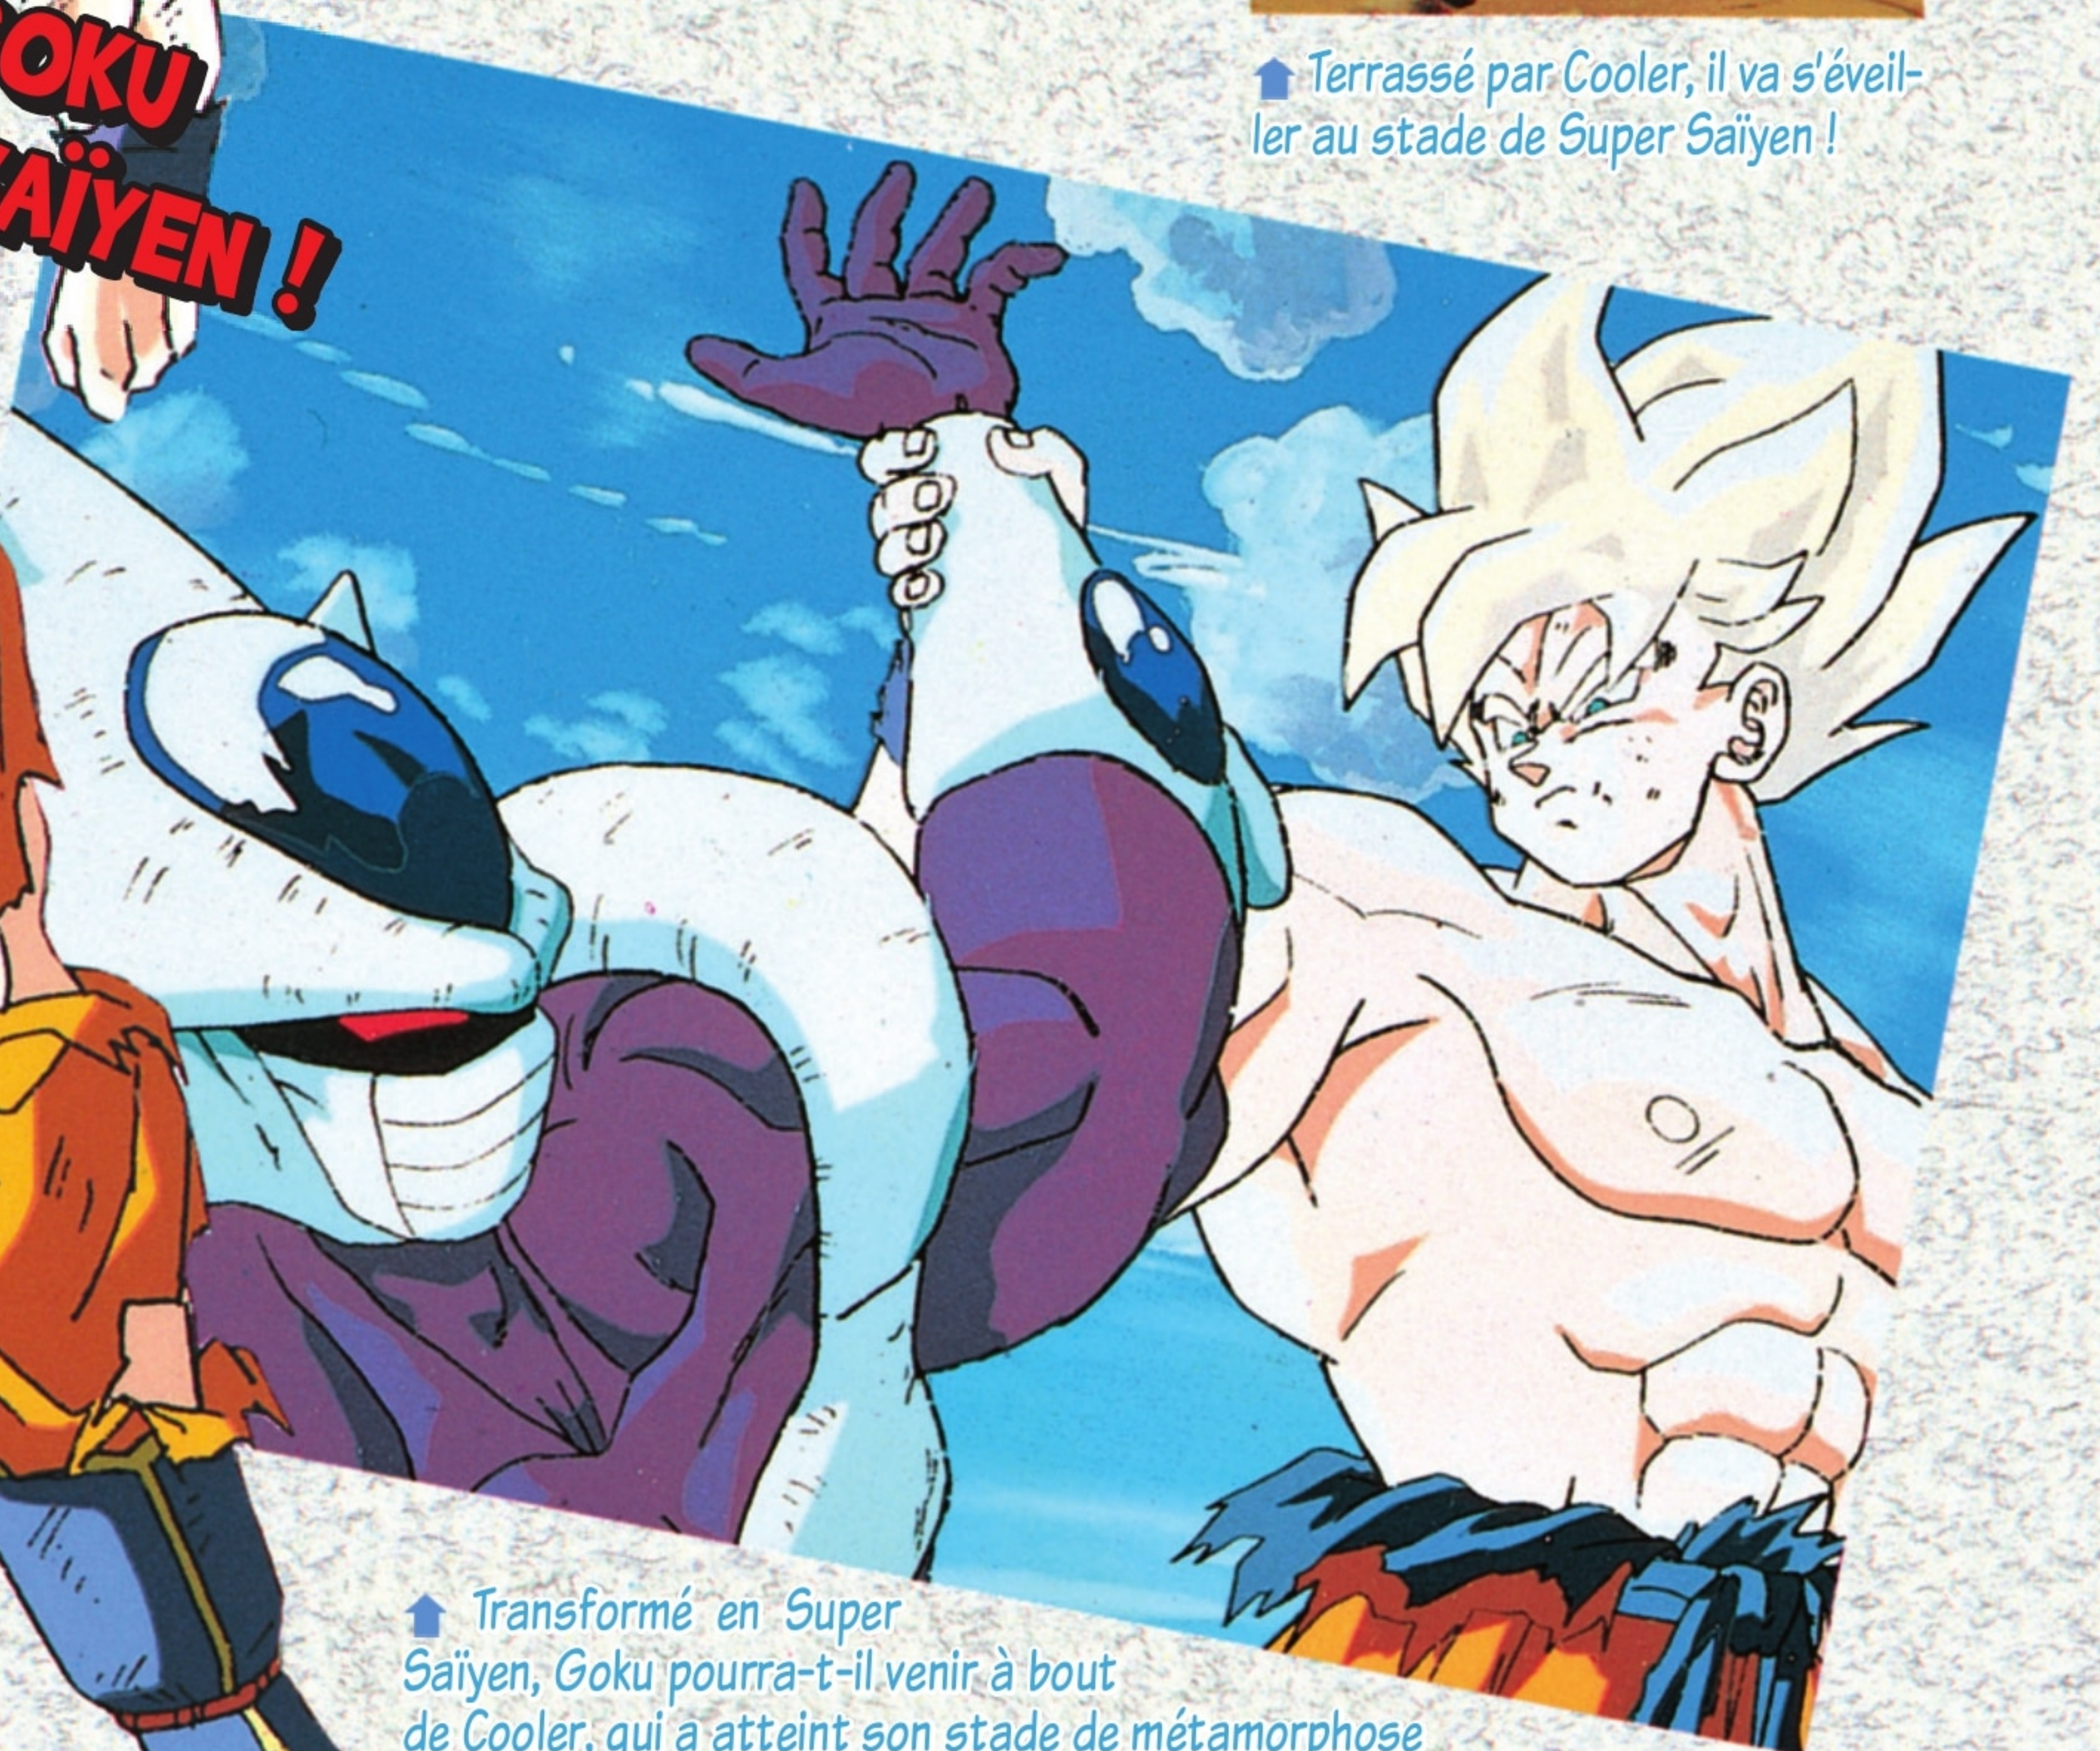

Goku se transforme enfin en Super Saïyen ! Mais d'après la légende, c'est un guerrier assoiffé de sang et avide de combats... Goku va-t-il devenir cruel et effrayant ?!

⬆ Terrassé par Cooler, il va s'éveiller au stade de Super Saïyen !

⬆ Transformé en Super Saïyen, Goku pourra-t-il venir à bout de Cooler, qui a atteint son stade de métamorphose ultime ?!

LE POUVOIR DE L'AMITIÉ EST PLUS FORT QUE TOUT !

KRILIN

Ce guerrier Z est un exemple de bravoure et son amitié est inconditionnelle. Il sauve Goku, blessé par Cooler, et prend le commandement des opérations pour le guérir au plus vite ! Il veille sur Gohan avec bienveillance, c'est un peu le grand frère qu'on aimerait tous avoir !

Même en plein milieu d'un rude combat, même quand la situation paraît désespérée, il n'oublie jamais de sourire pour rassurer ses compagnons ! ➡

PICCOLO

Professeur de Gohan et grand rival de Goku ! C'est un loup solitaire qui répond néanmoins toujours présent quand les guerriers Z sont en danger ! Il s'illustre tout particulièrement face au commando cuirassé à qui il ne fait pas de cadeaux.

Il peut allonger ses bras pendant un combat ! Seuls les Nameks en sont capables ! ➡

➡ Les boules d'énergie lancées par Piccolo atomisent son adversaire sans qu'il n'en reste rien ! C'est le fruit d'un entraînement intensif.

RIVAL DE GOKU, C'EST UN GUERRIER SOLITAIRE QUI SE TIENT À L'ÉCART DU MONDE !

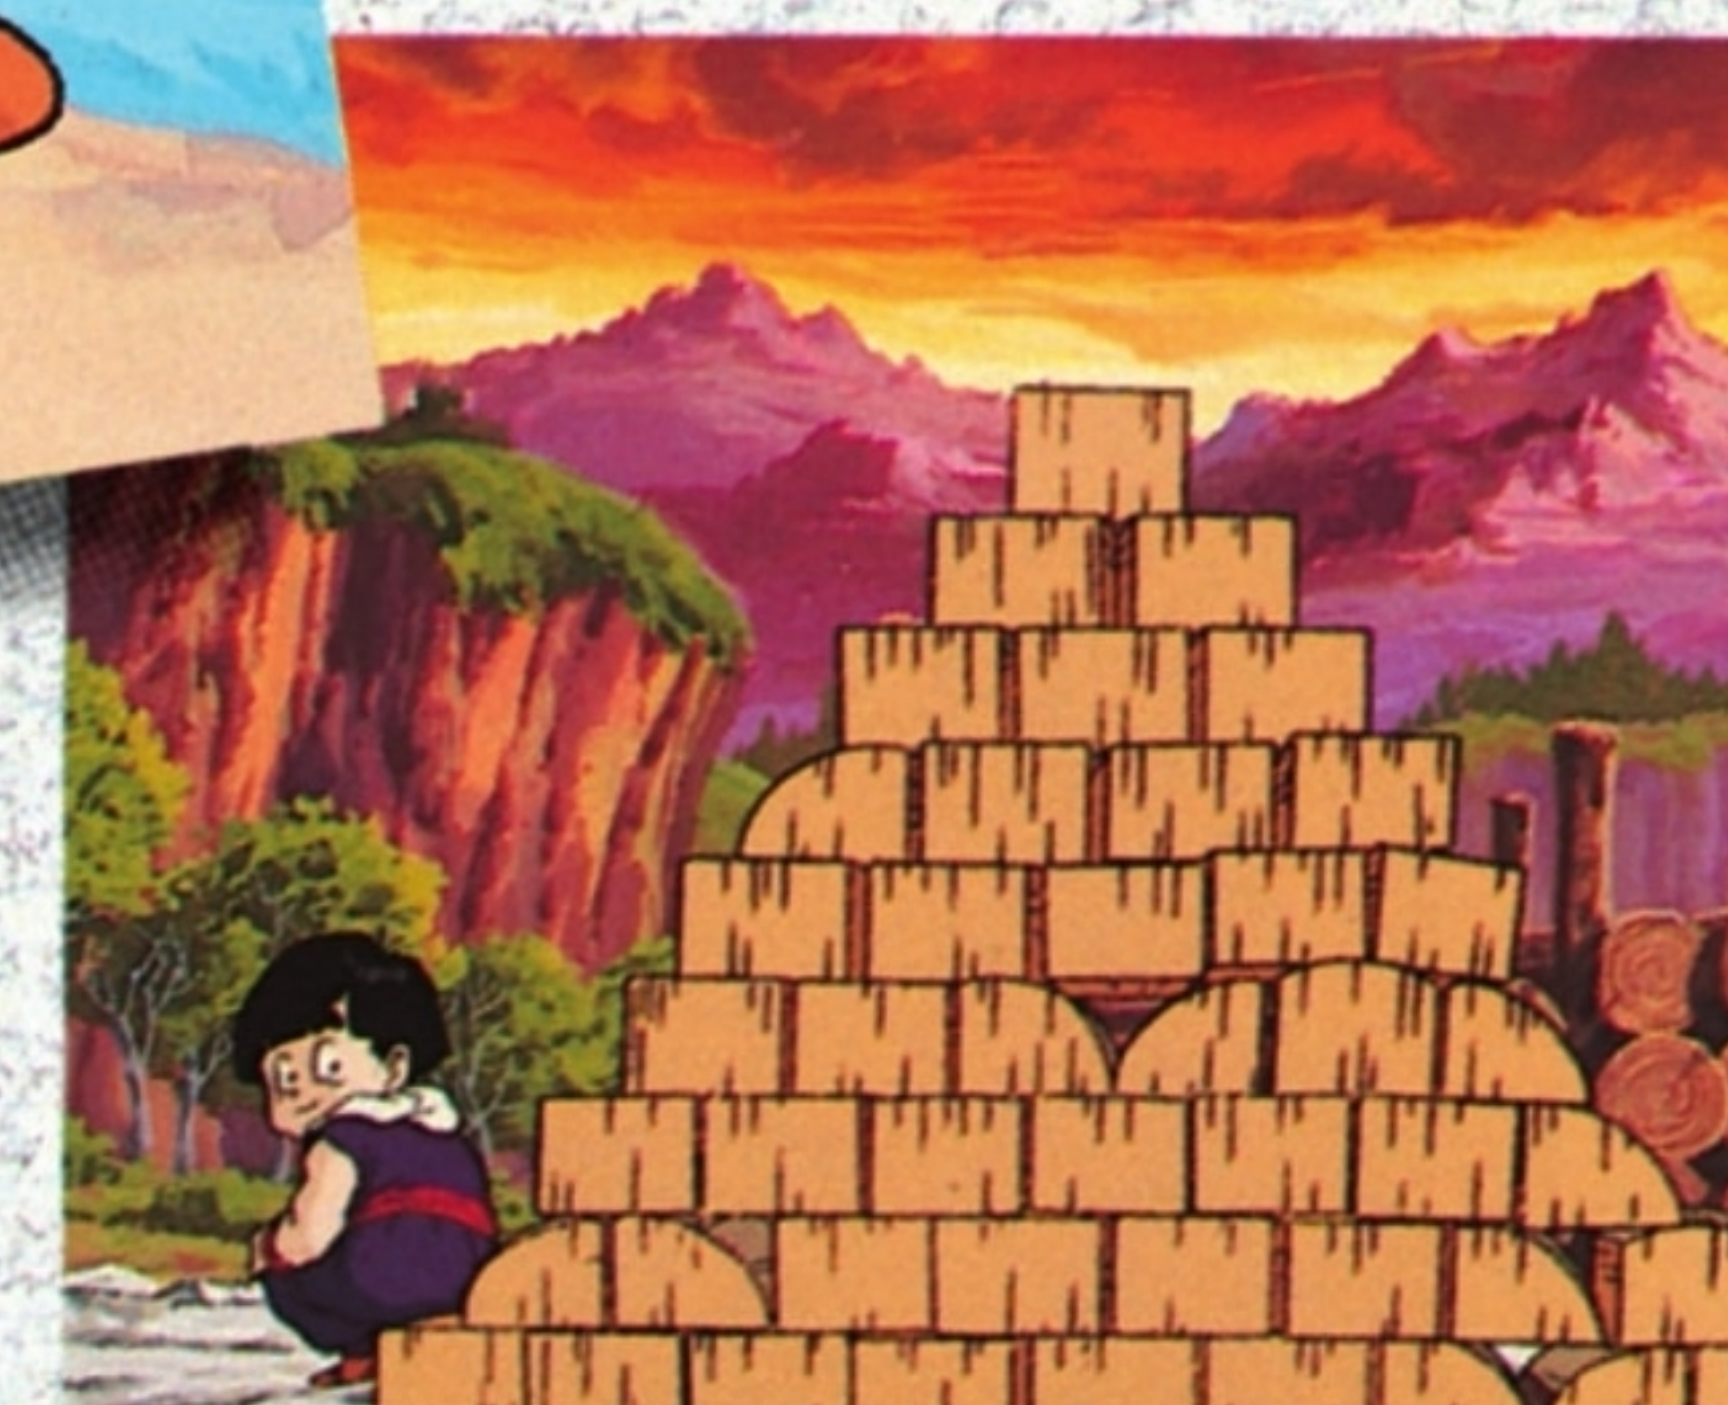

L'HÉRITIER DU COURAGE ET DE LA PUISSANCE !

SON GOHAN

Malgré son jeune âge, Gohan est un guerrier Z digne de ce nom ! Il a hérité du courage de Goku, et Piccolo lui a enseigné ses techniques ultimes ! Alors que Goku est entre la vie et la mort, Gohan monte tout en haut de la tour Karin pour aller chercher des senzu... Mais parviendra-t-il à les apporter à son père ?!

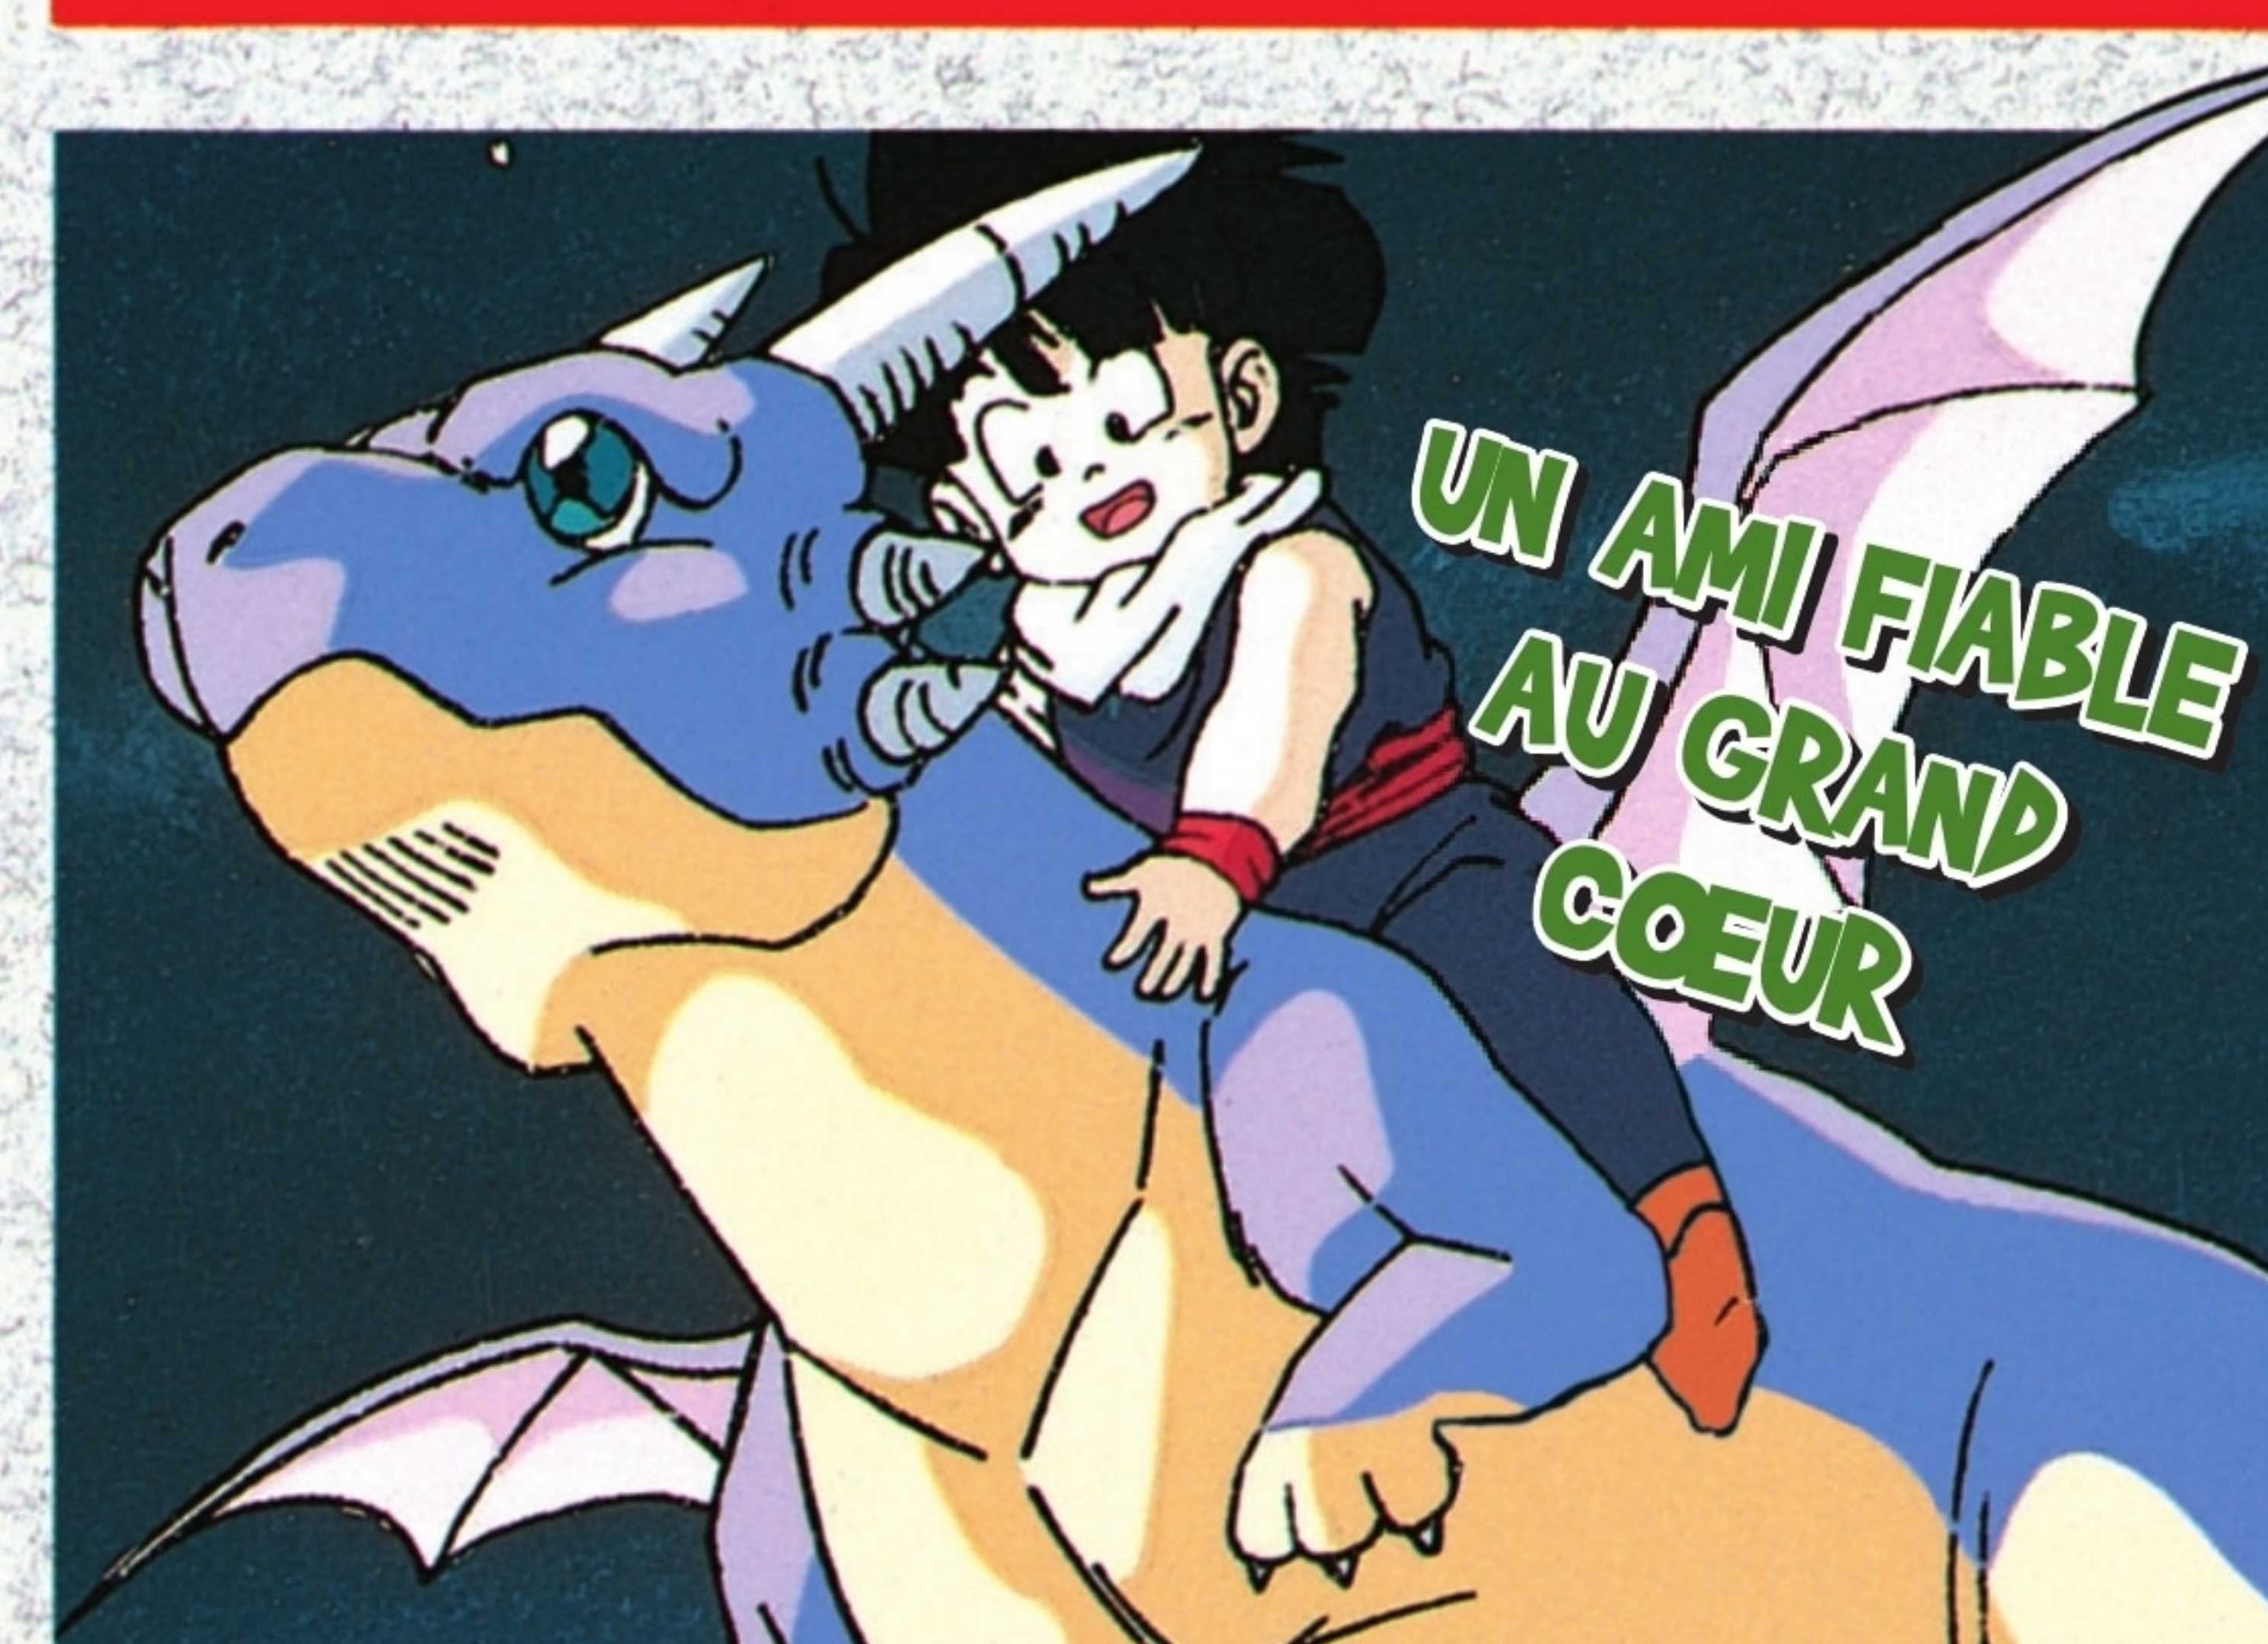

➡ Il découpe un énorme rondin de bois d'un seul geste... et dans les airs, s'il vous plaît !

➡ Et voilà une pile de bûches pour le feu, prête en un clin d'œil ! Bravo, Gohan !

HIRE DRAGON

UN AMI FIABLE AU GRAND CŒUR

Il sauve un ours coincé sous un tronc d'arbre ! C'est un dragon gentil et serviable ! ➡

Hire Dragon est l'ami de Gohan, il l'appelle souvent pour jouer avec lui, ce qui lui attire l'antipathie de Chichi. Cette fois-ci, il n'hésite pas à faire face au commando cuirassé de Cooler et à aider Gohan dans son combat ! On peut toujours compter sur lui.

LE COMMANDO CUIRASSÉ DE COOLER

**LES TROIS
PLUS GRANDS
SACCAGEURS DE
LA GALAXIE !**

L'armée de Cooler est certes composée de peu de soldats, mais ce sont des guerriers d'élite qui lui vouent une loyauté à toute épreuve ! Leur chef, Thousa, est calme et posé, Naise est expert en techniques de combat et Dore se distingue par sa force brute. C'est un groupe très équilibré !

**LE GUERRIER
INQUIÉTANT
QUI MANIPULE
L'ÉLECTRICITÉ !**

NAISE*

Il génère des rayons électriques de ses deux mains. Gare à l'électrochoc !

Il est très grand et quelque peu repoussant. Il est plus arrogant que Thousa et a plus facilement tendance à s'emporter ! Il utilise des attaques électriques !

Il peut rétracter sa tête dans son buste, comme une tortue !

N.D.T. : Son nom vient de dressing qui signifie sauce, en anglais.

DORE*

Il agrippe le crâne de Gohan d'une seule main ! Le pauvre petit est dans une sale posture !

Très fier d'être le plus imposant du commando, il n'en est pas moins très puissant ! C'est le seul à porter un casque-scouter. Il est impitoyable, n'ayant aucun état d'âme devant un petit garçon comme Gohan.

THOUSA*

N.D.T. : Son nom vient de thousand island dressing qui est un type de sauce à base de mayonnaise et de ketchup.

**SA LAME D'ÉNERGIE
TRANCHE TOUTE
MATIÈRE !**

C'est le leader du commando. Il peut lancer des rayons à travers ses doigts et faire jaillir une lame acérée de sa main !

Il concentre son énergie dans sa main droite afin d'en faire une épée.

COOLER

Il est intimement persuadé d'être le plus fort de l'univers ! Il débarque sur Terre afin de venger son frère cadet, Freezer, et également pour supprimer le Super Saiyen ! Il possède une transformation de plus que Freezer, c'est un adversaire de taille pour Goku !

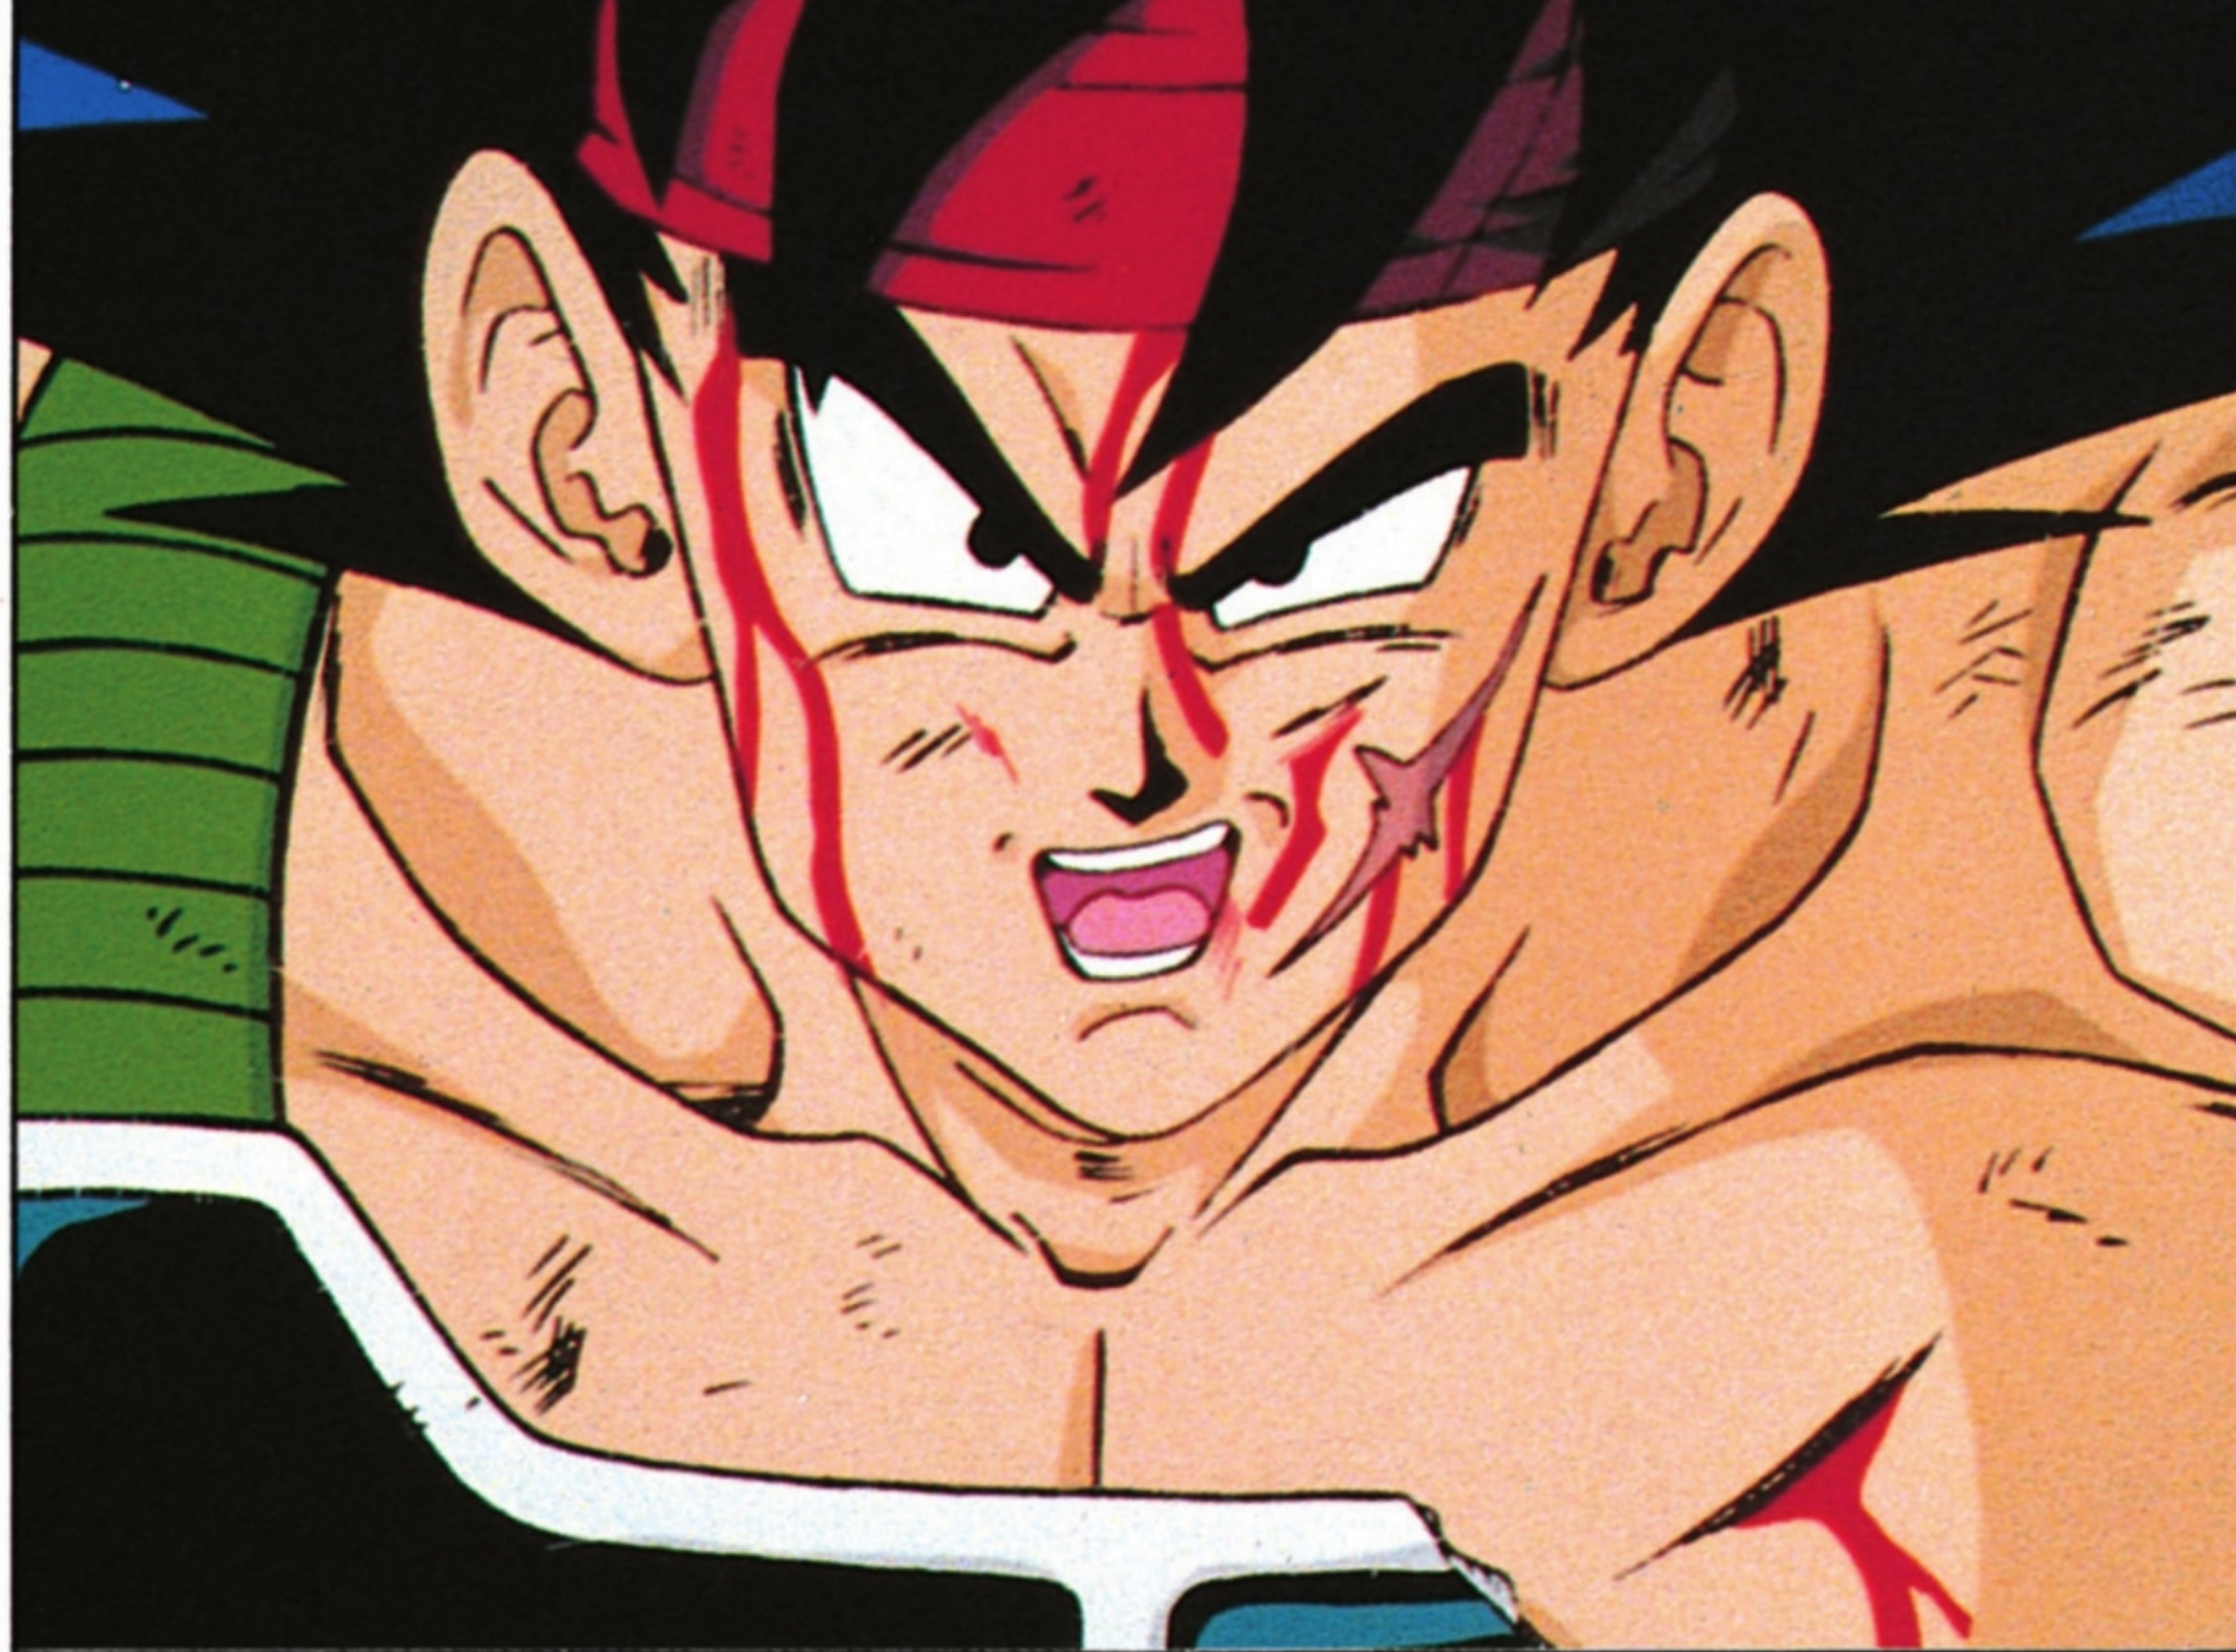

Par le passé, Cooler a épargné Goku alors qu'il venait d'être envoyé sur Terre !

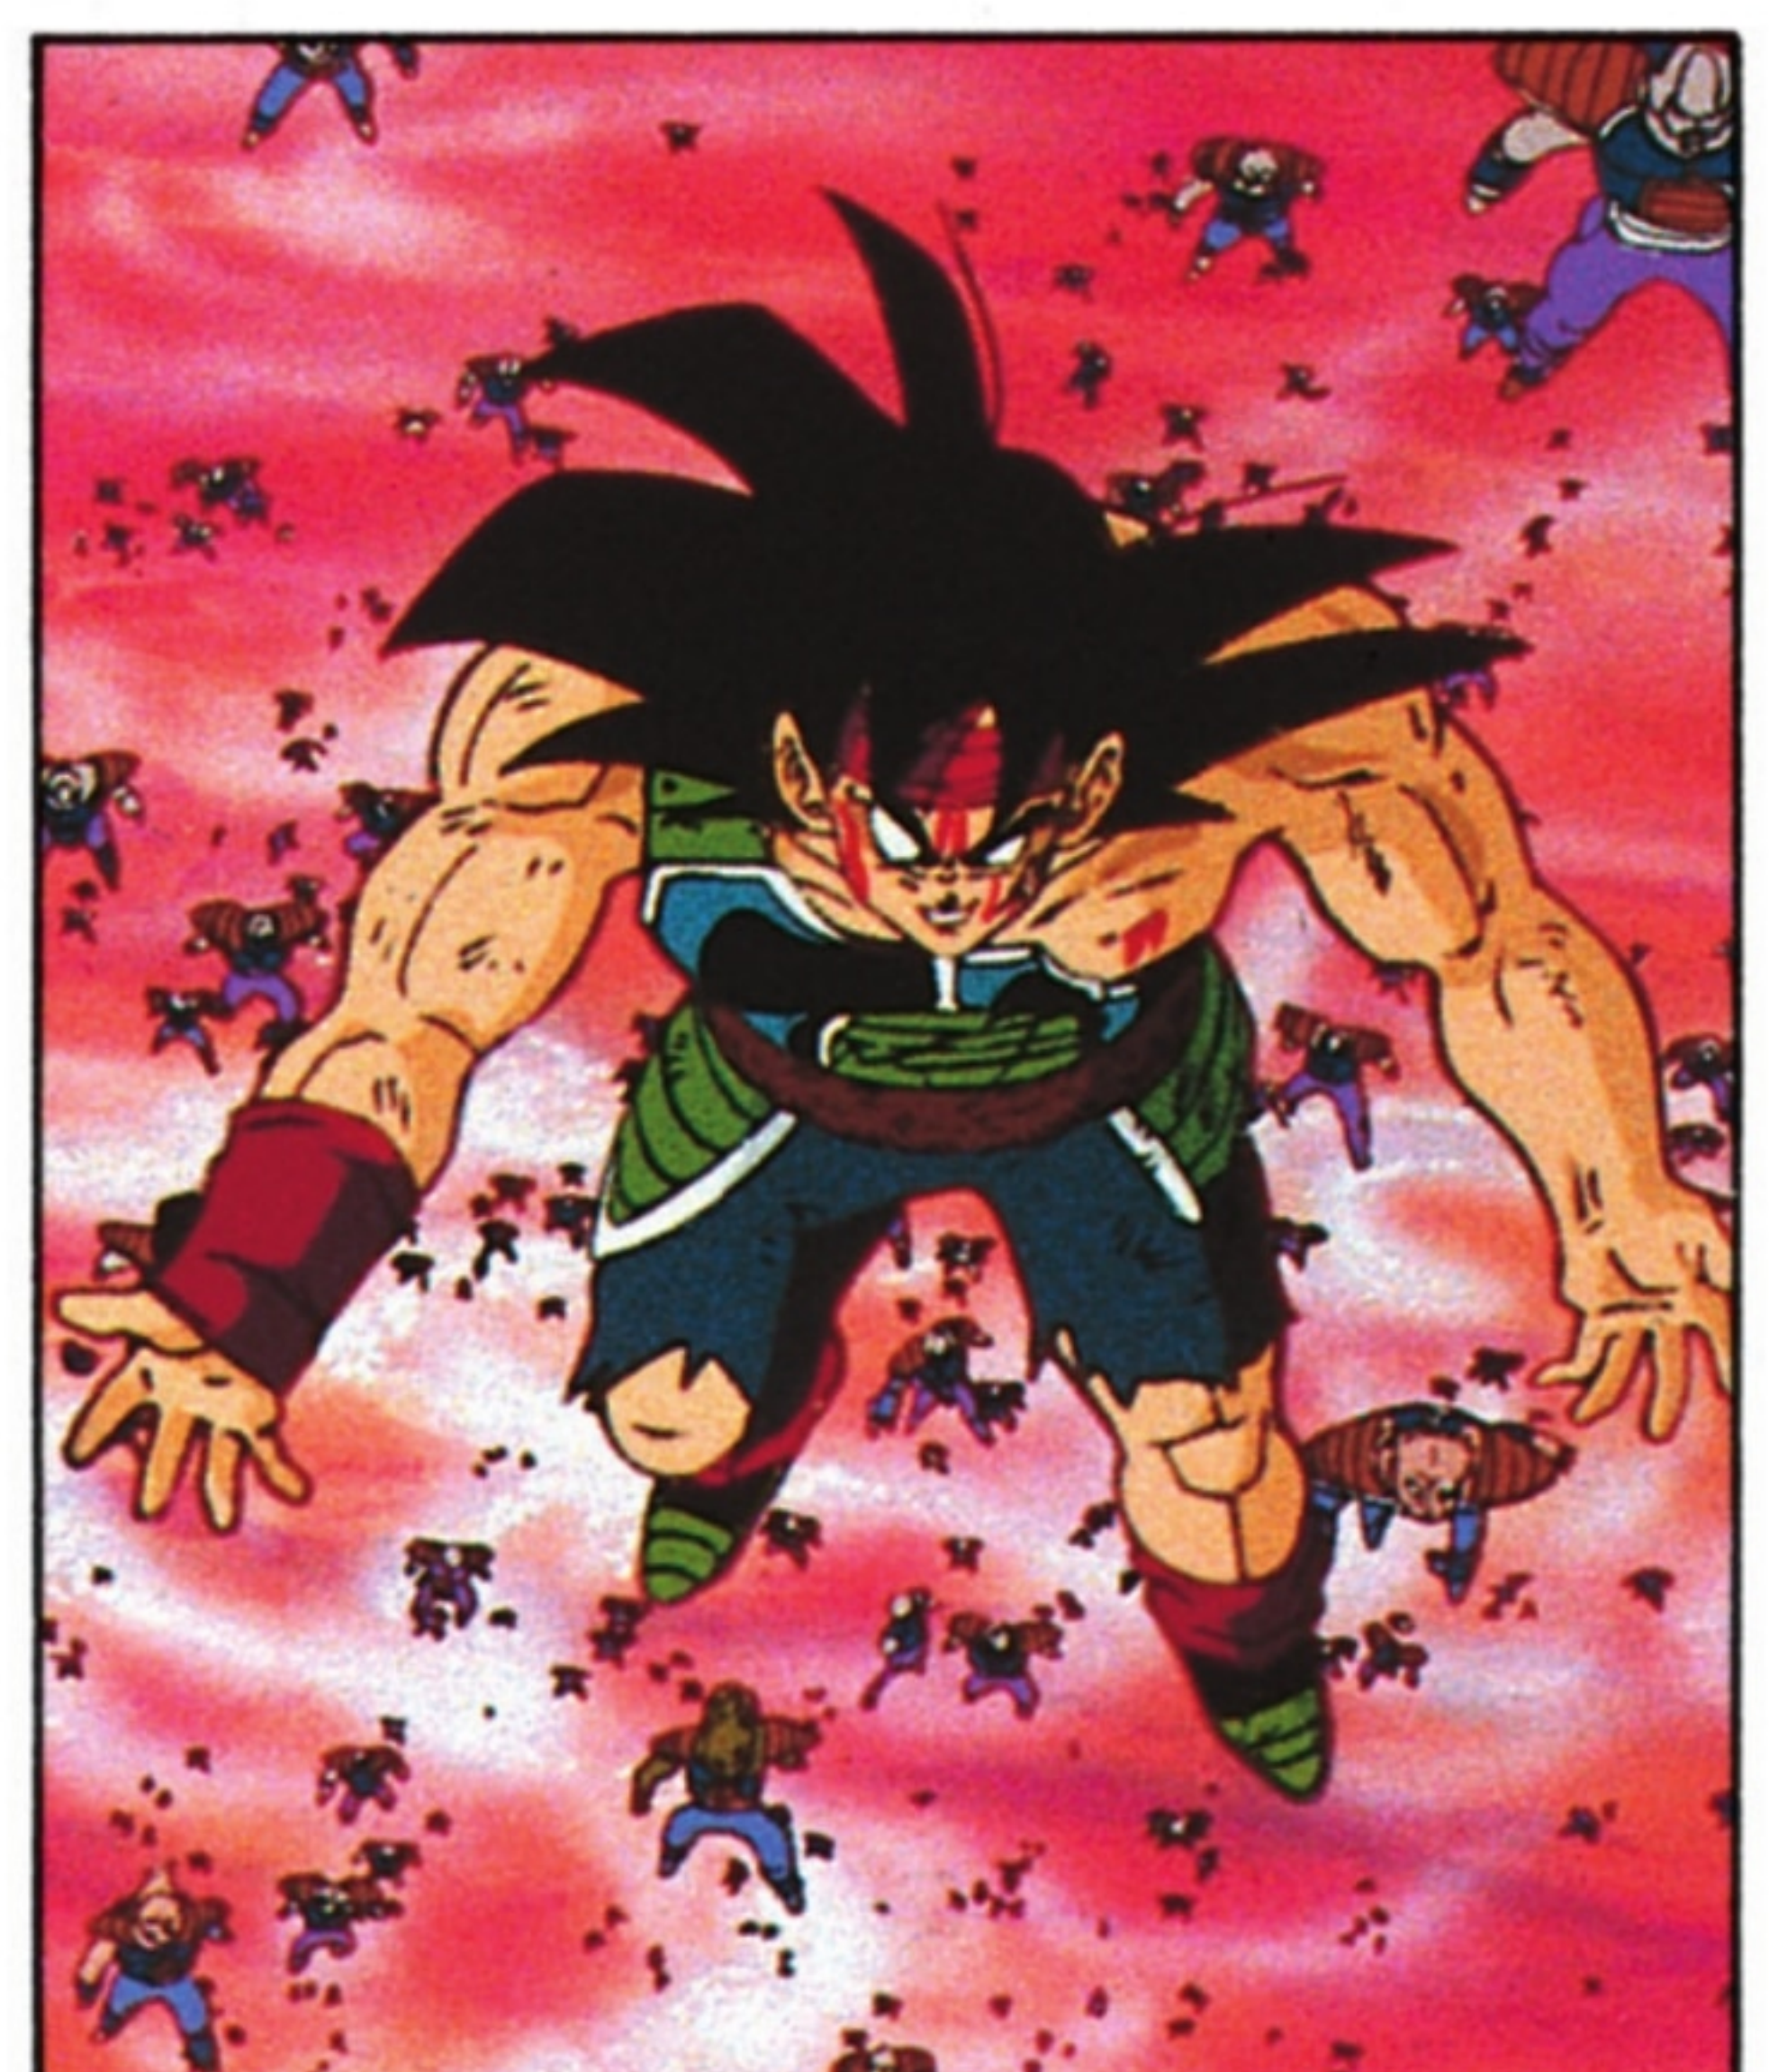

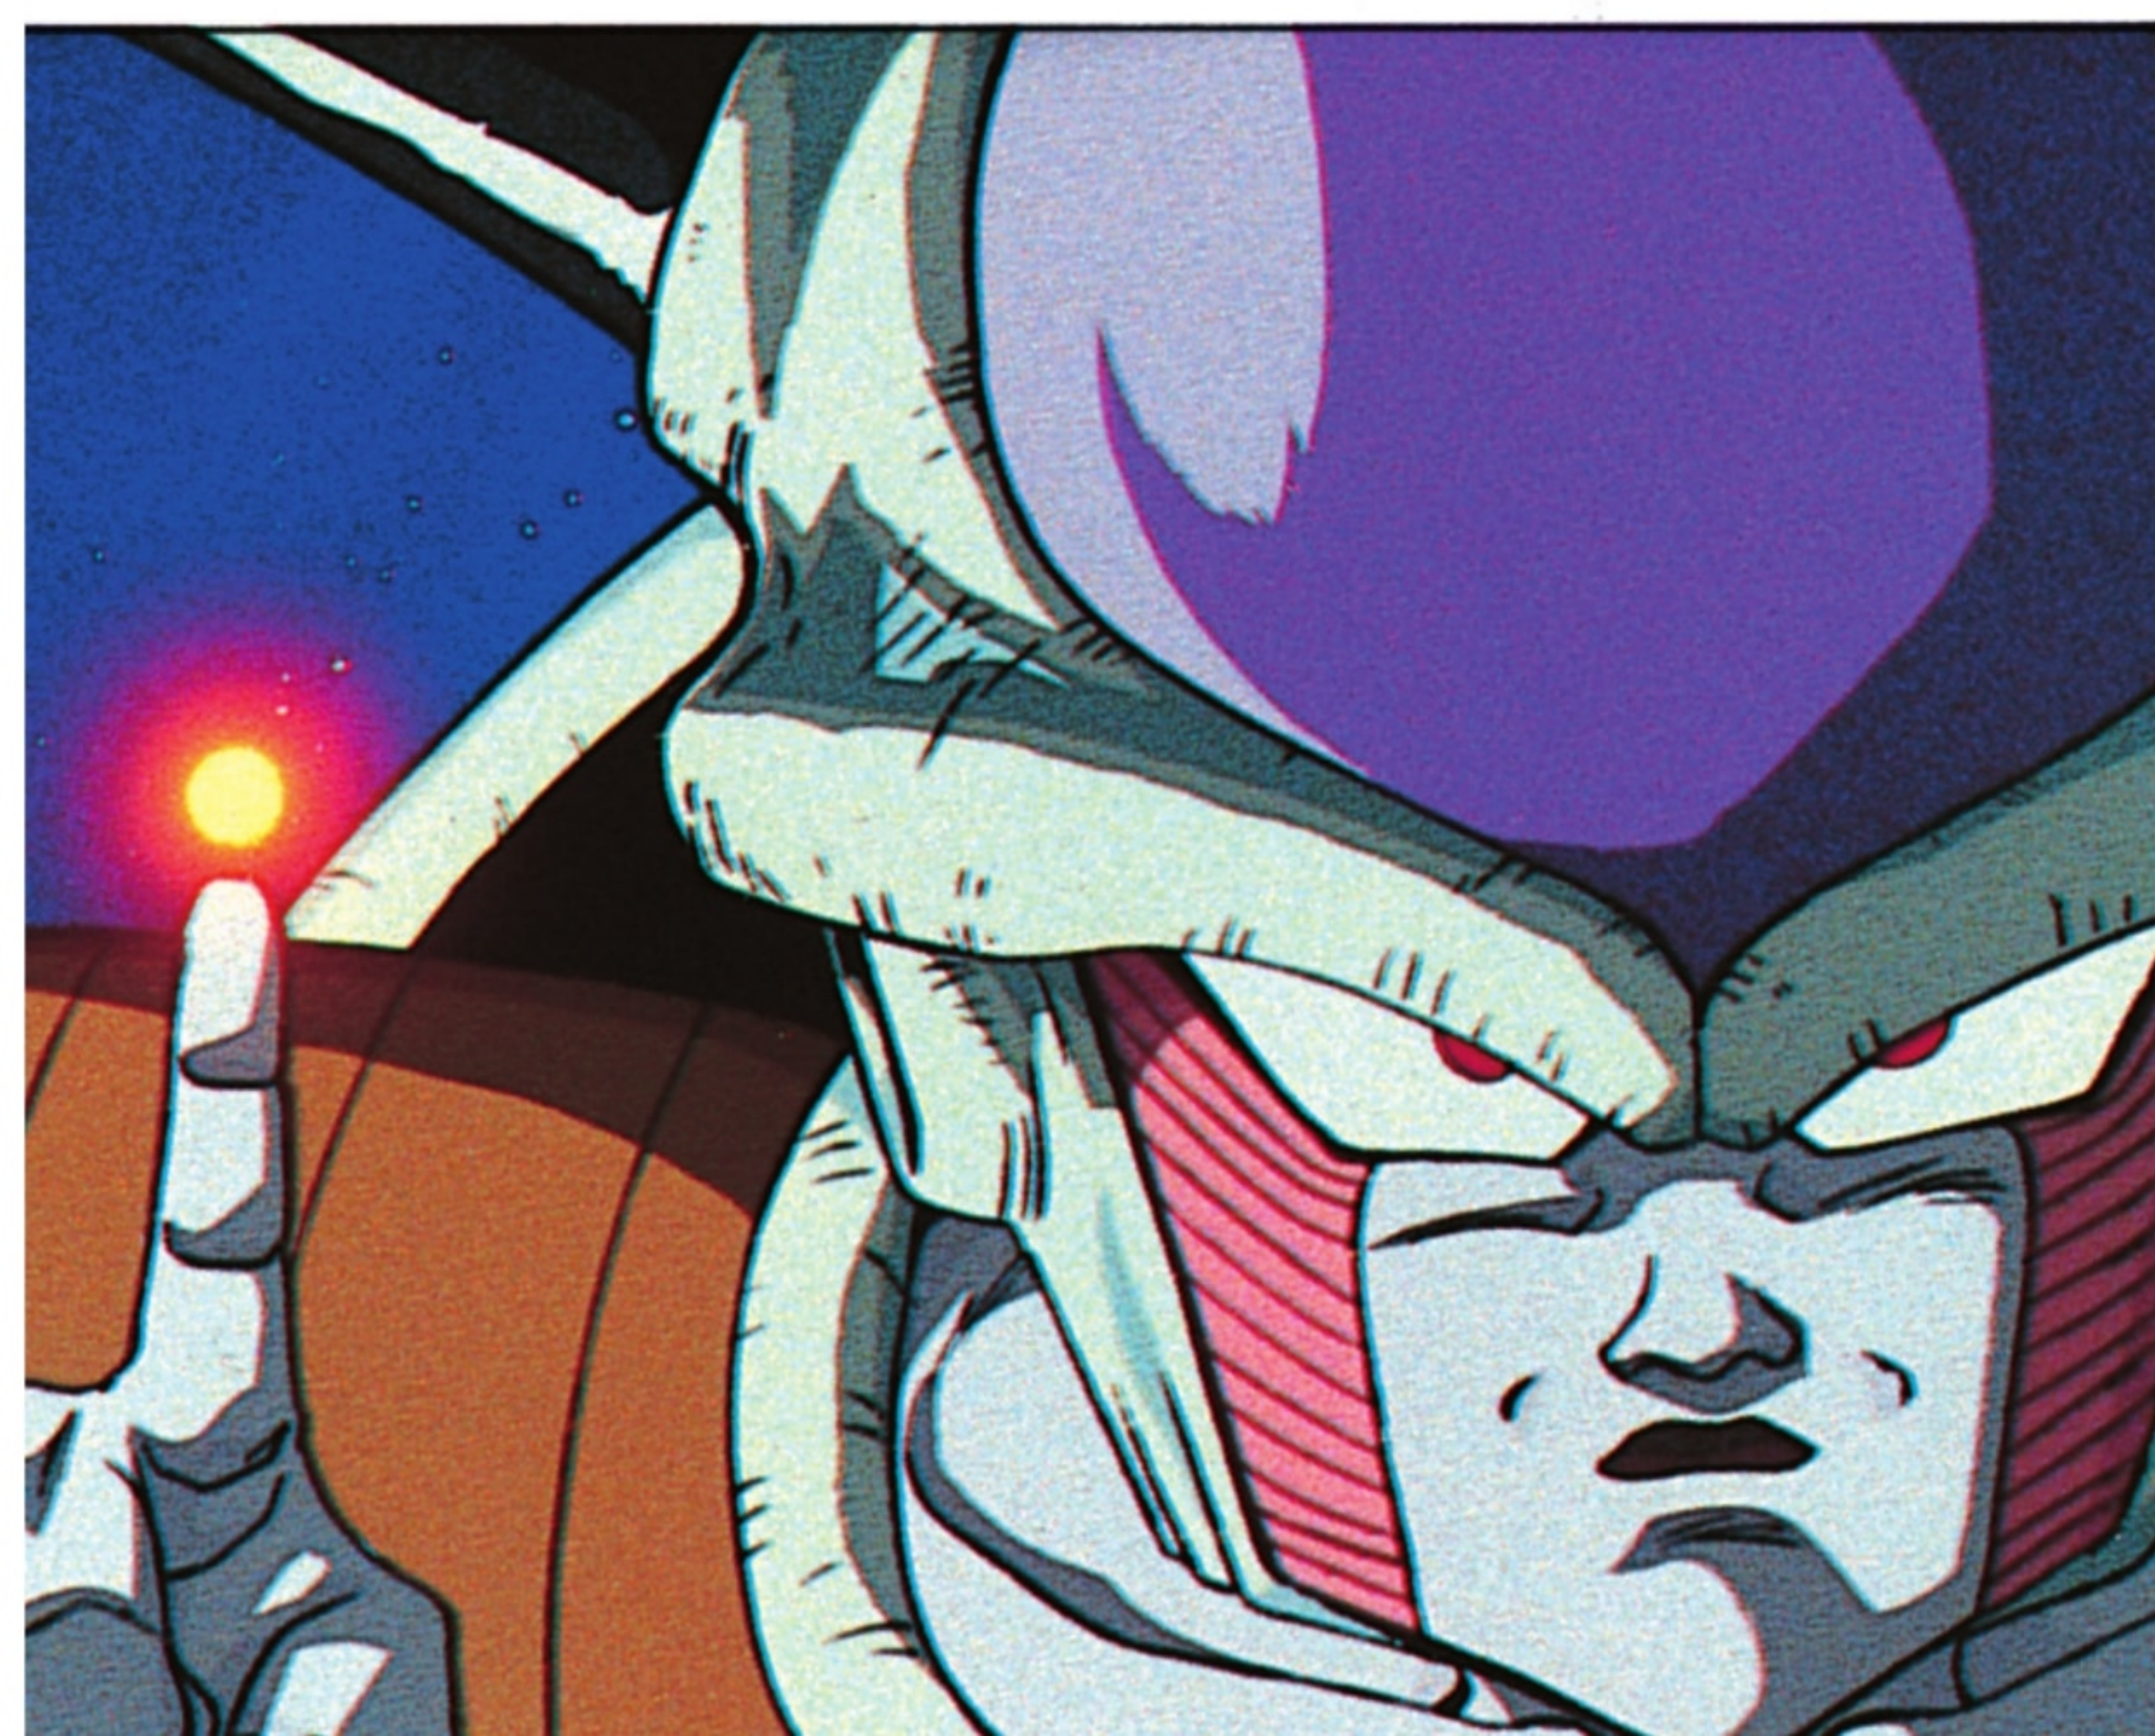

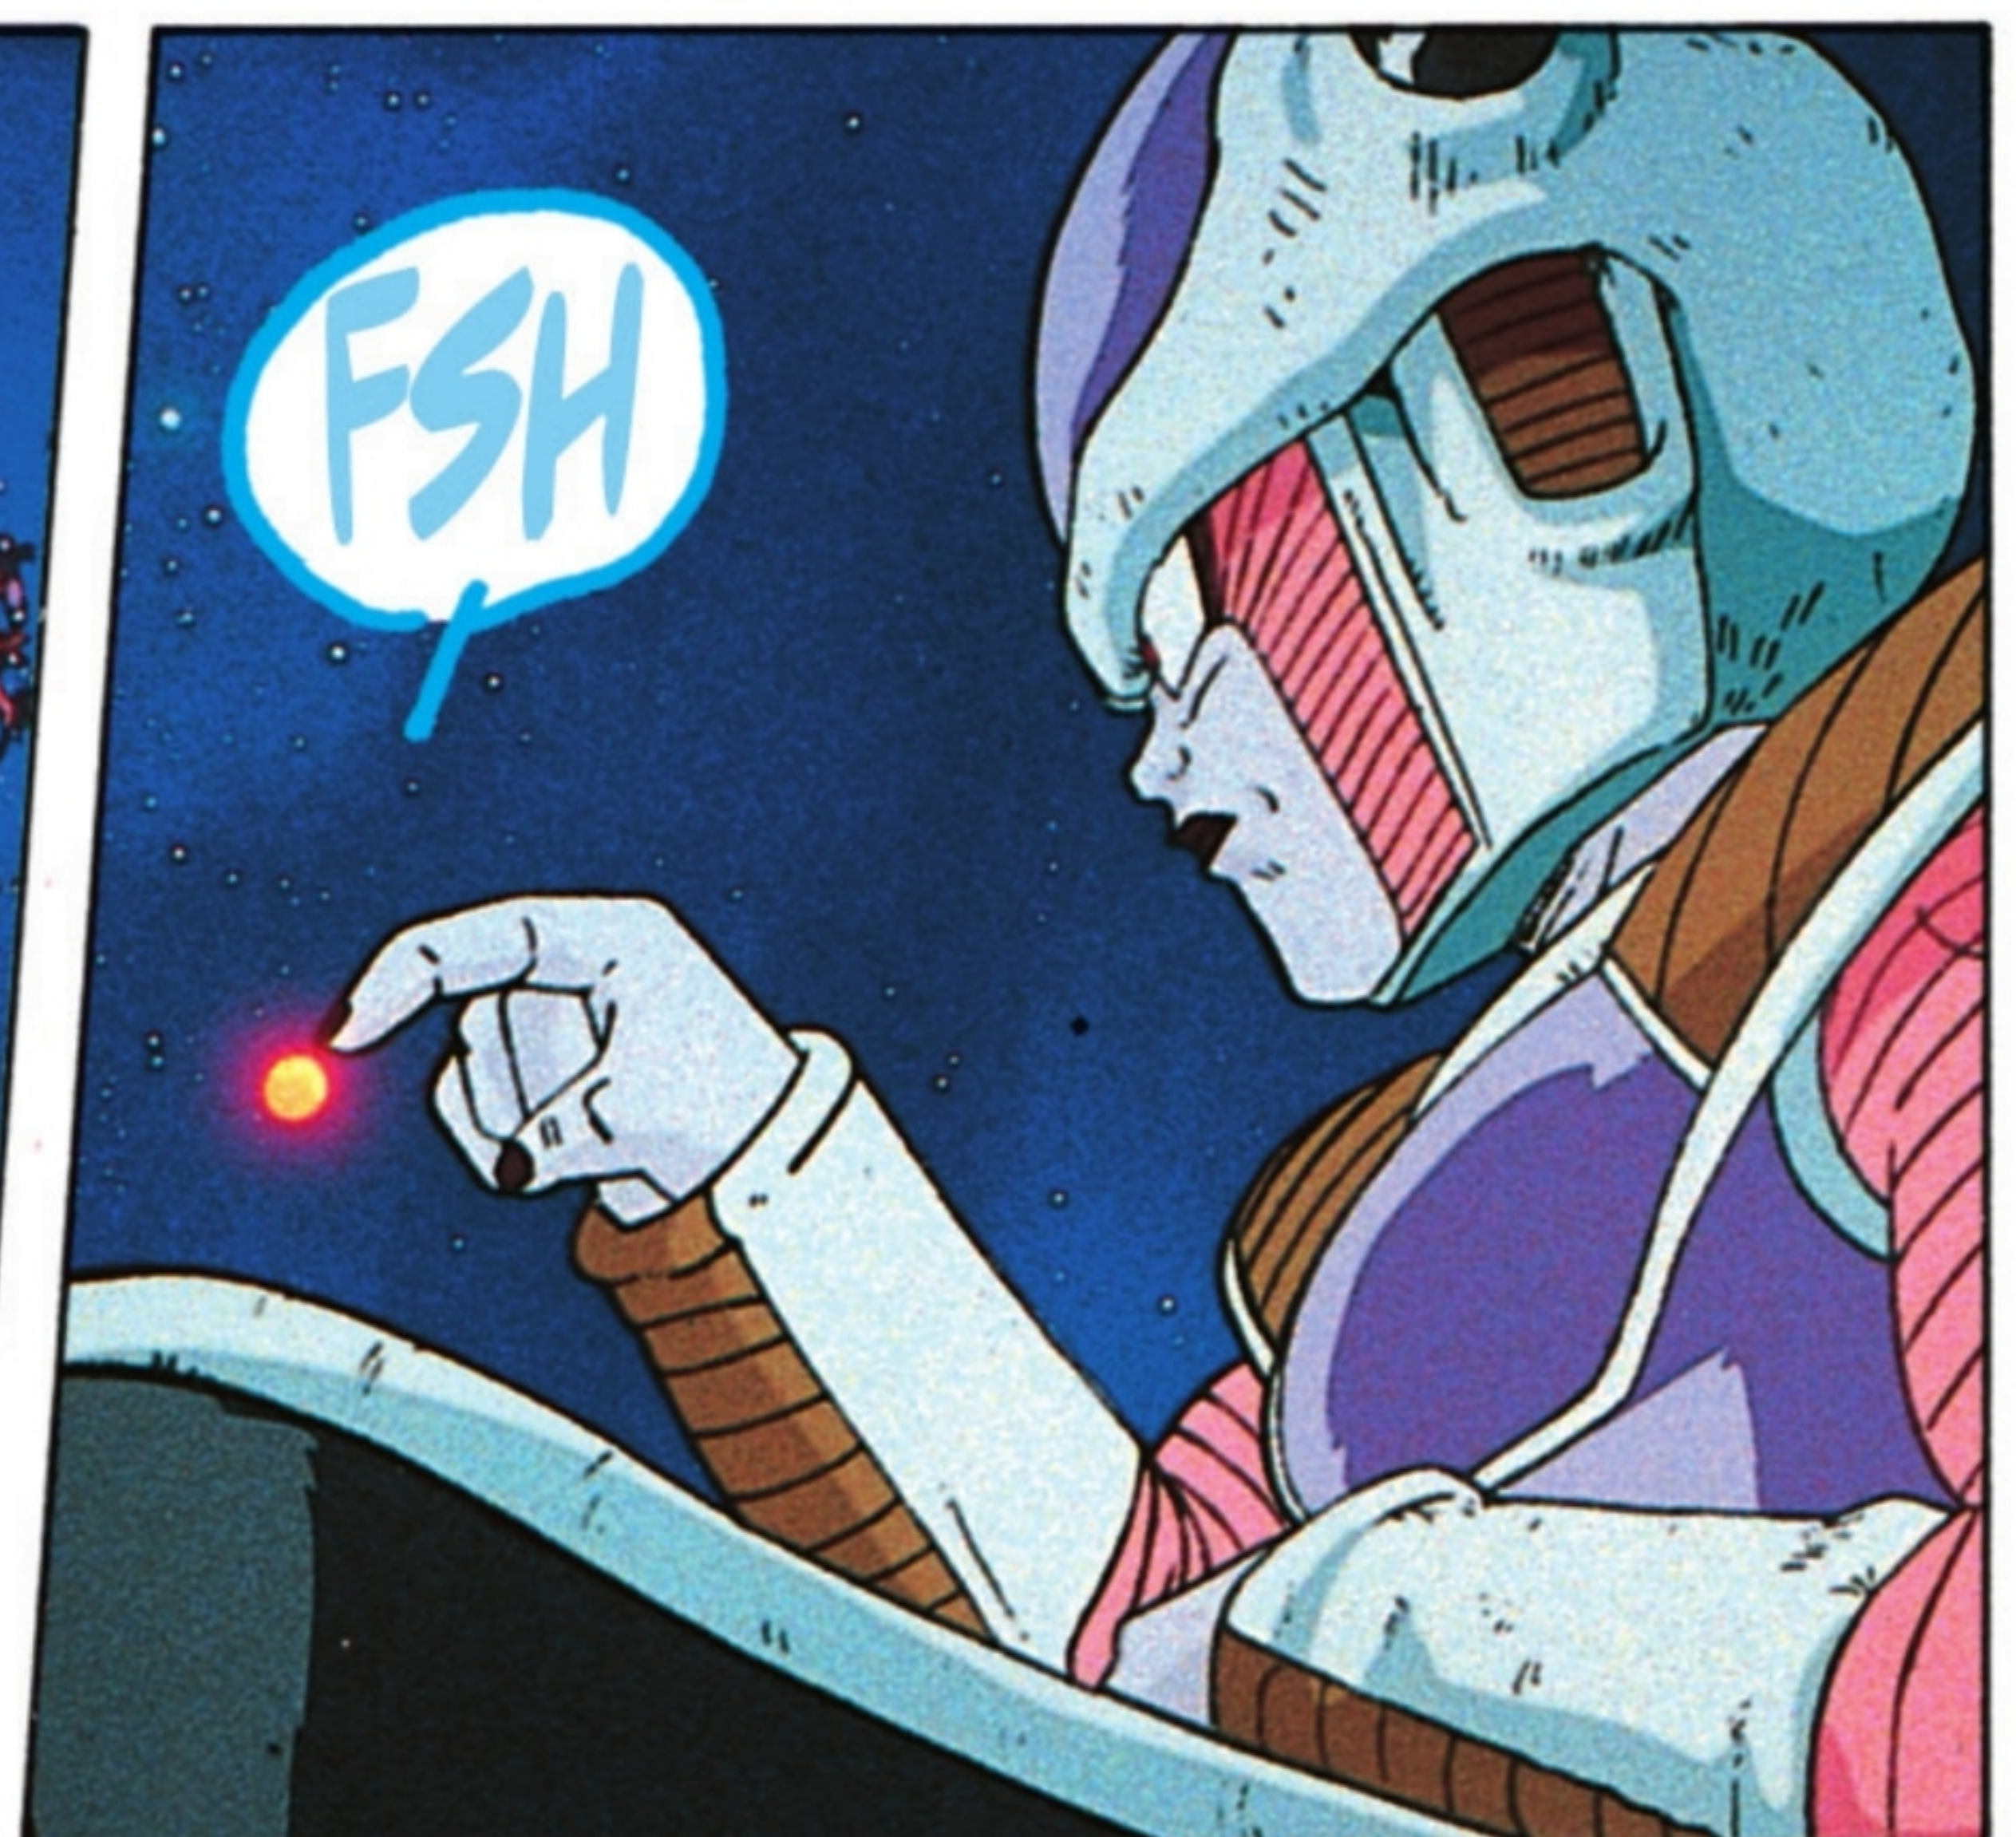

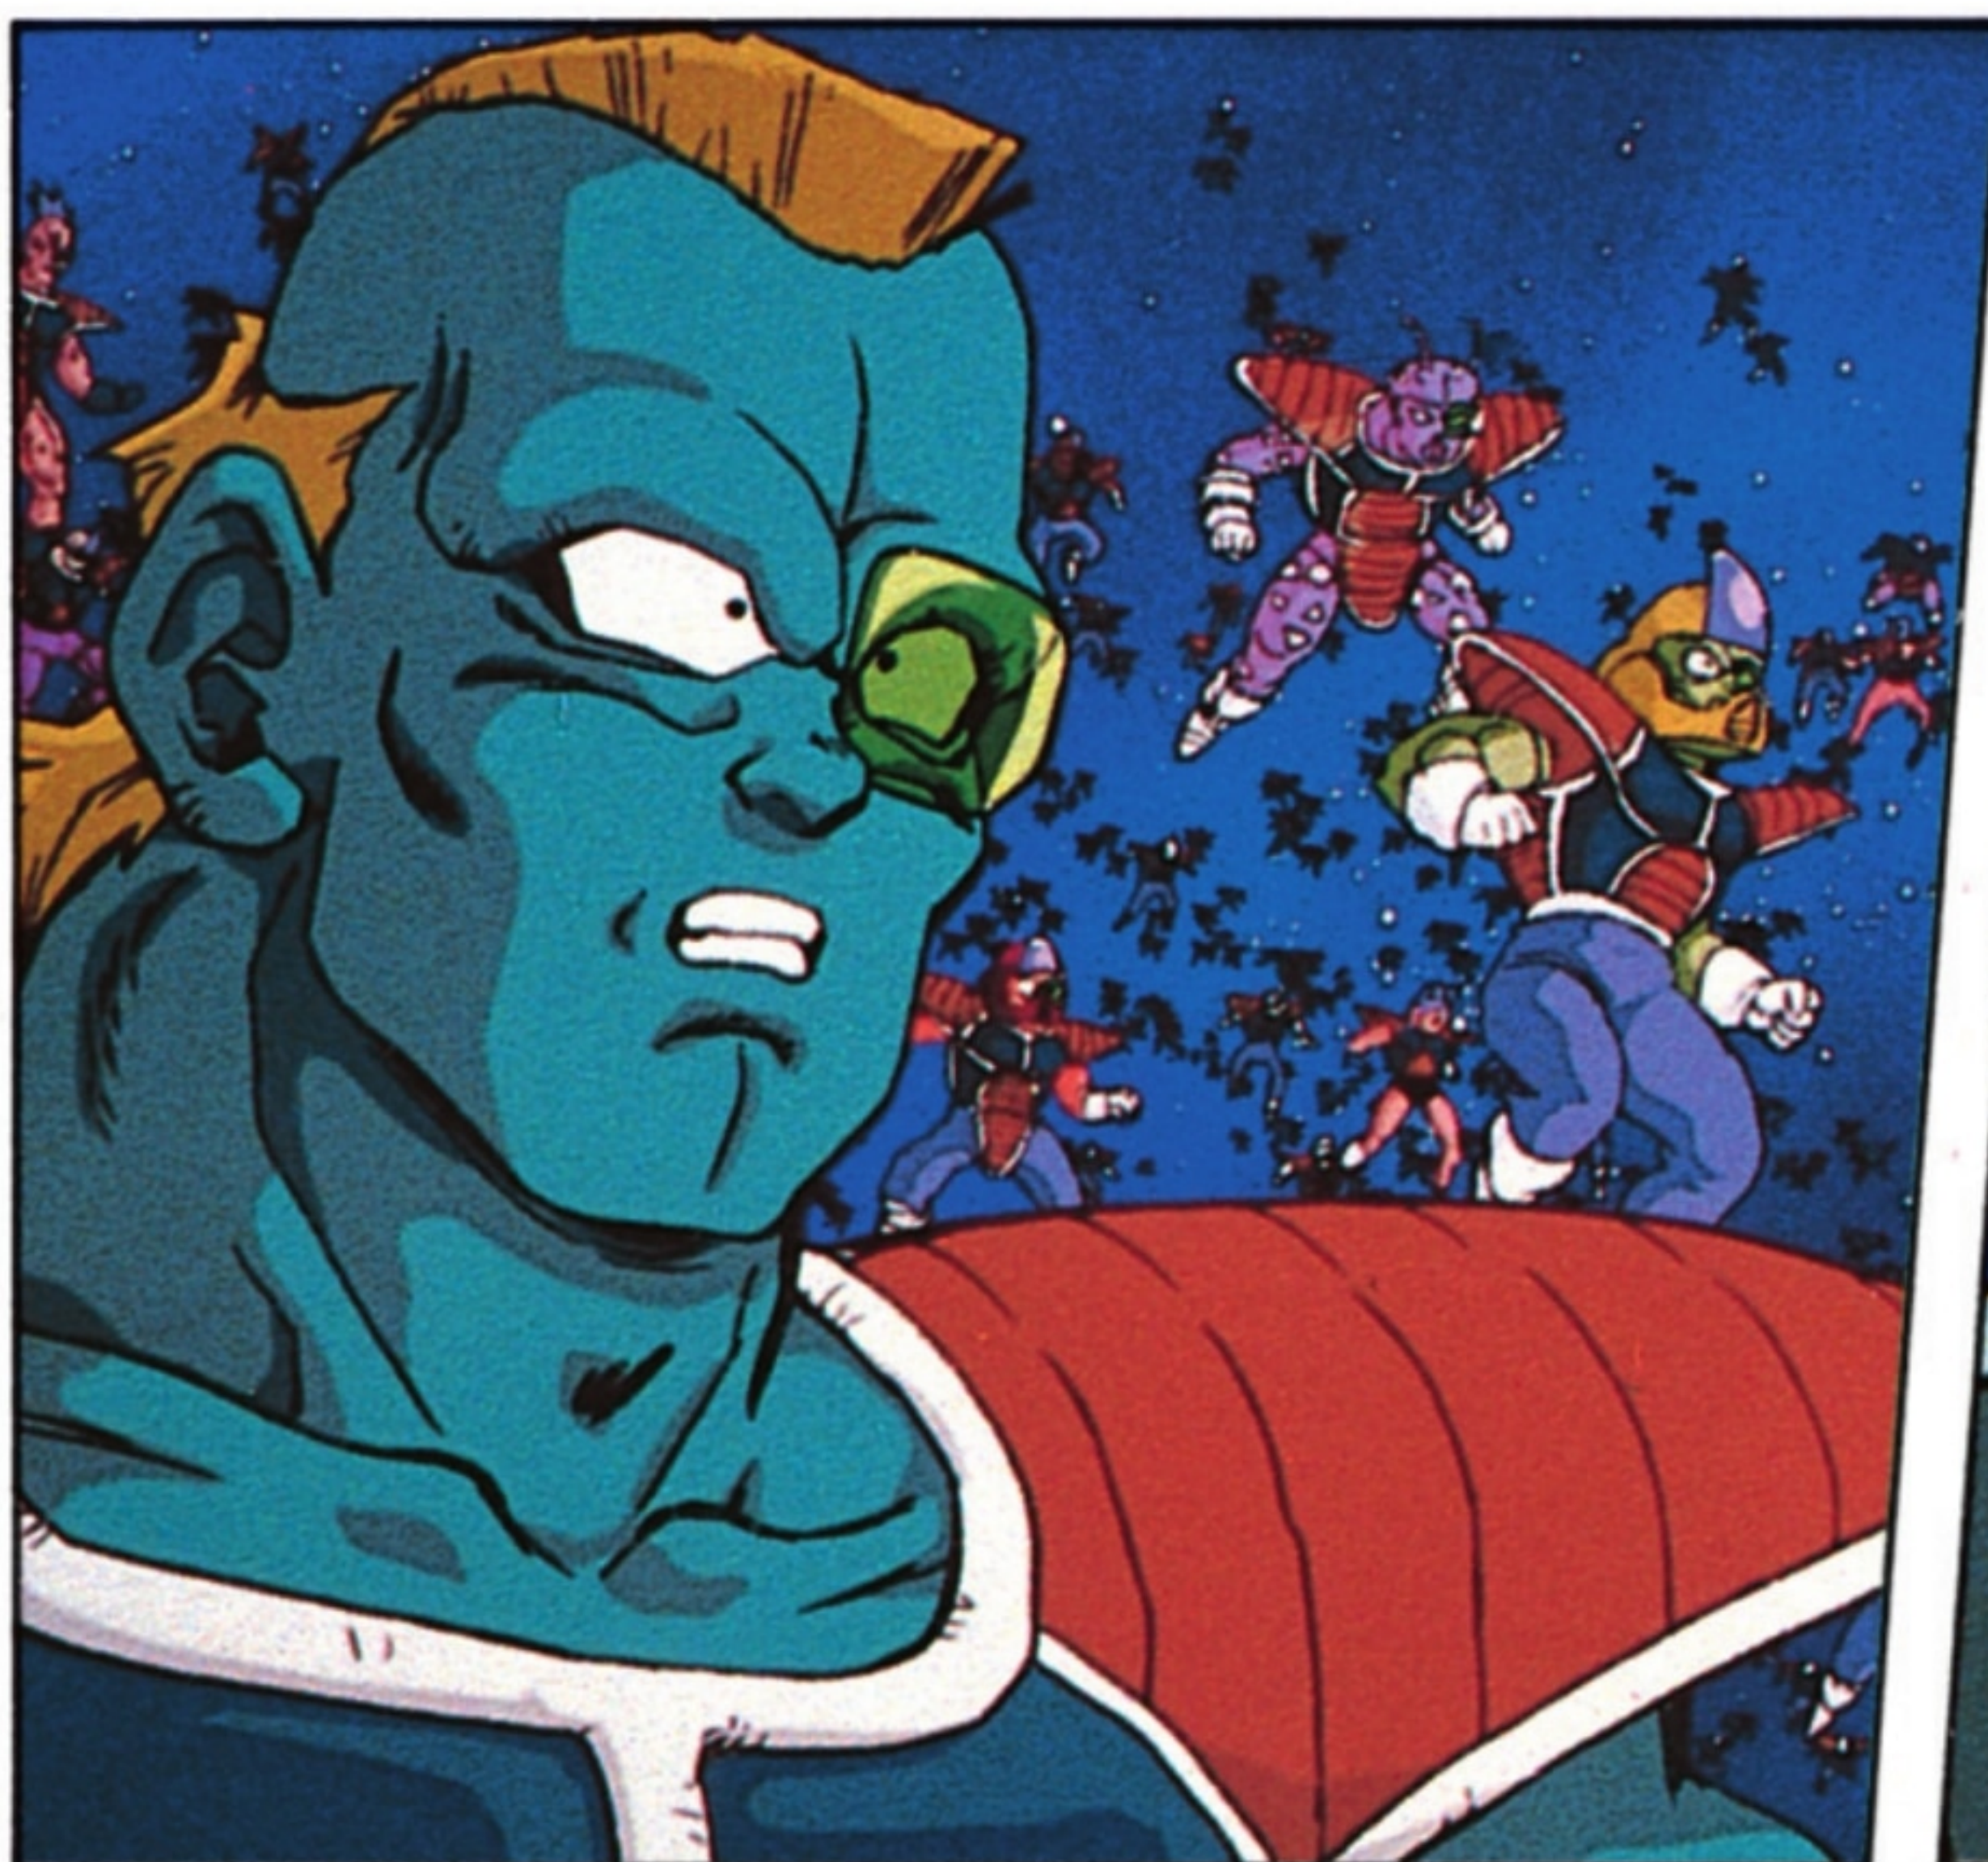

**SA BOTTE SECRÈTE :
UN ULTIME STADE DE
MÉTAMORPHOSE !
IL NE RECULERA
DEVANT RIEN POUR
VENGER SON FRÈRE !**

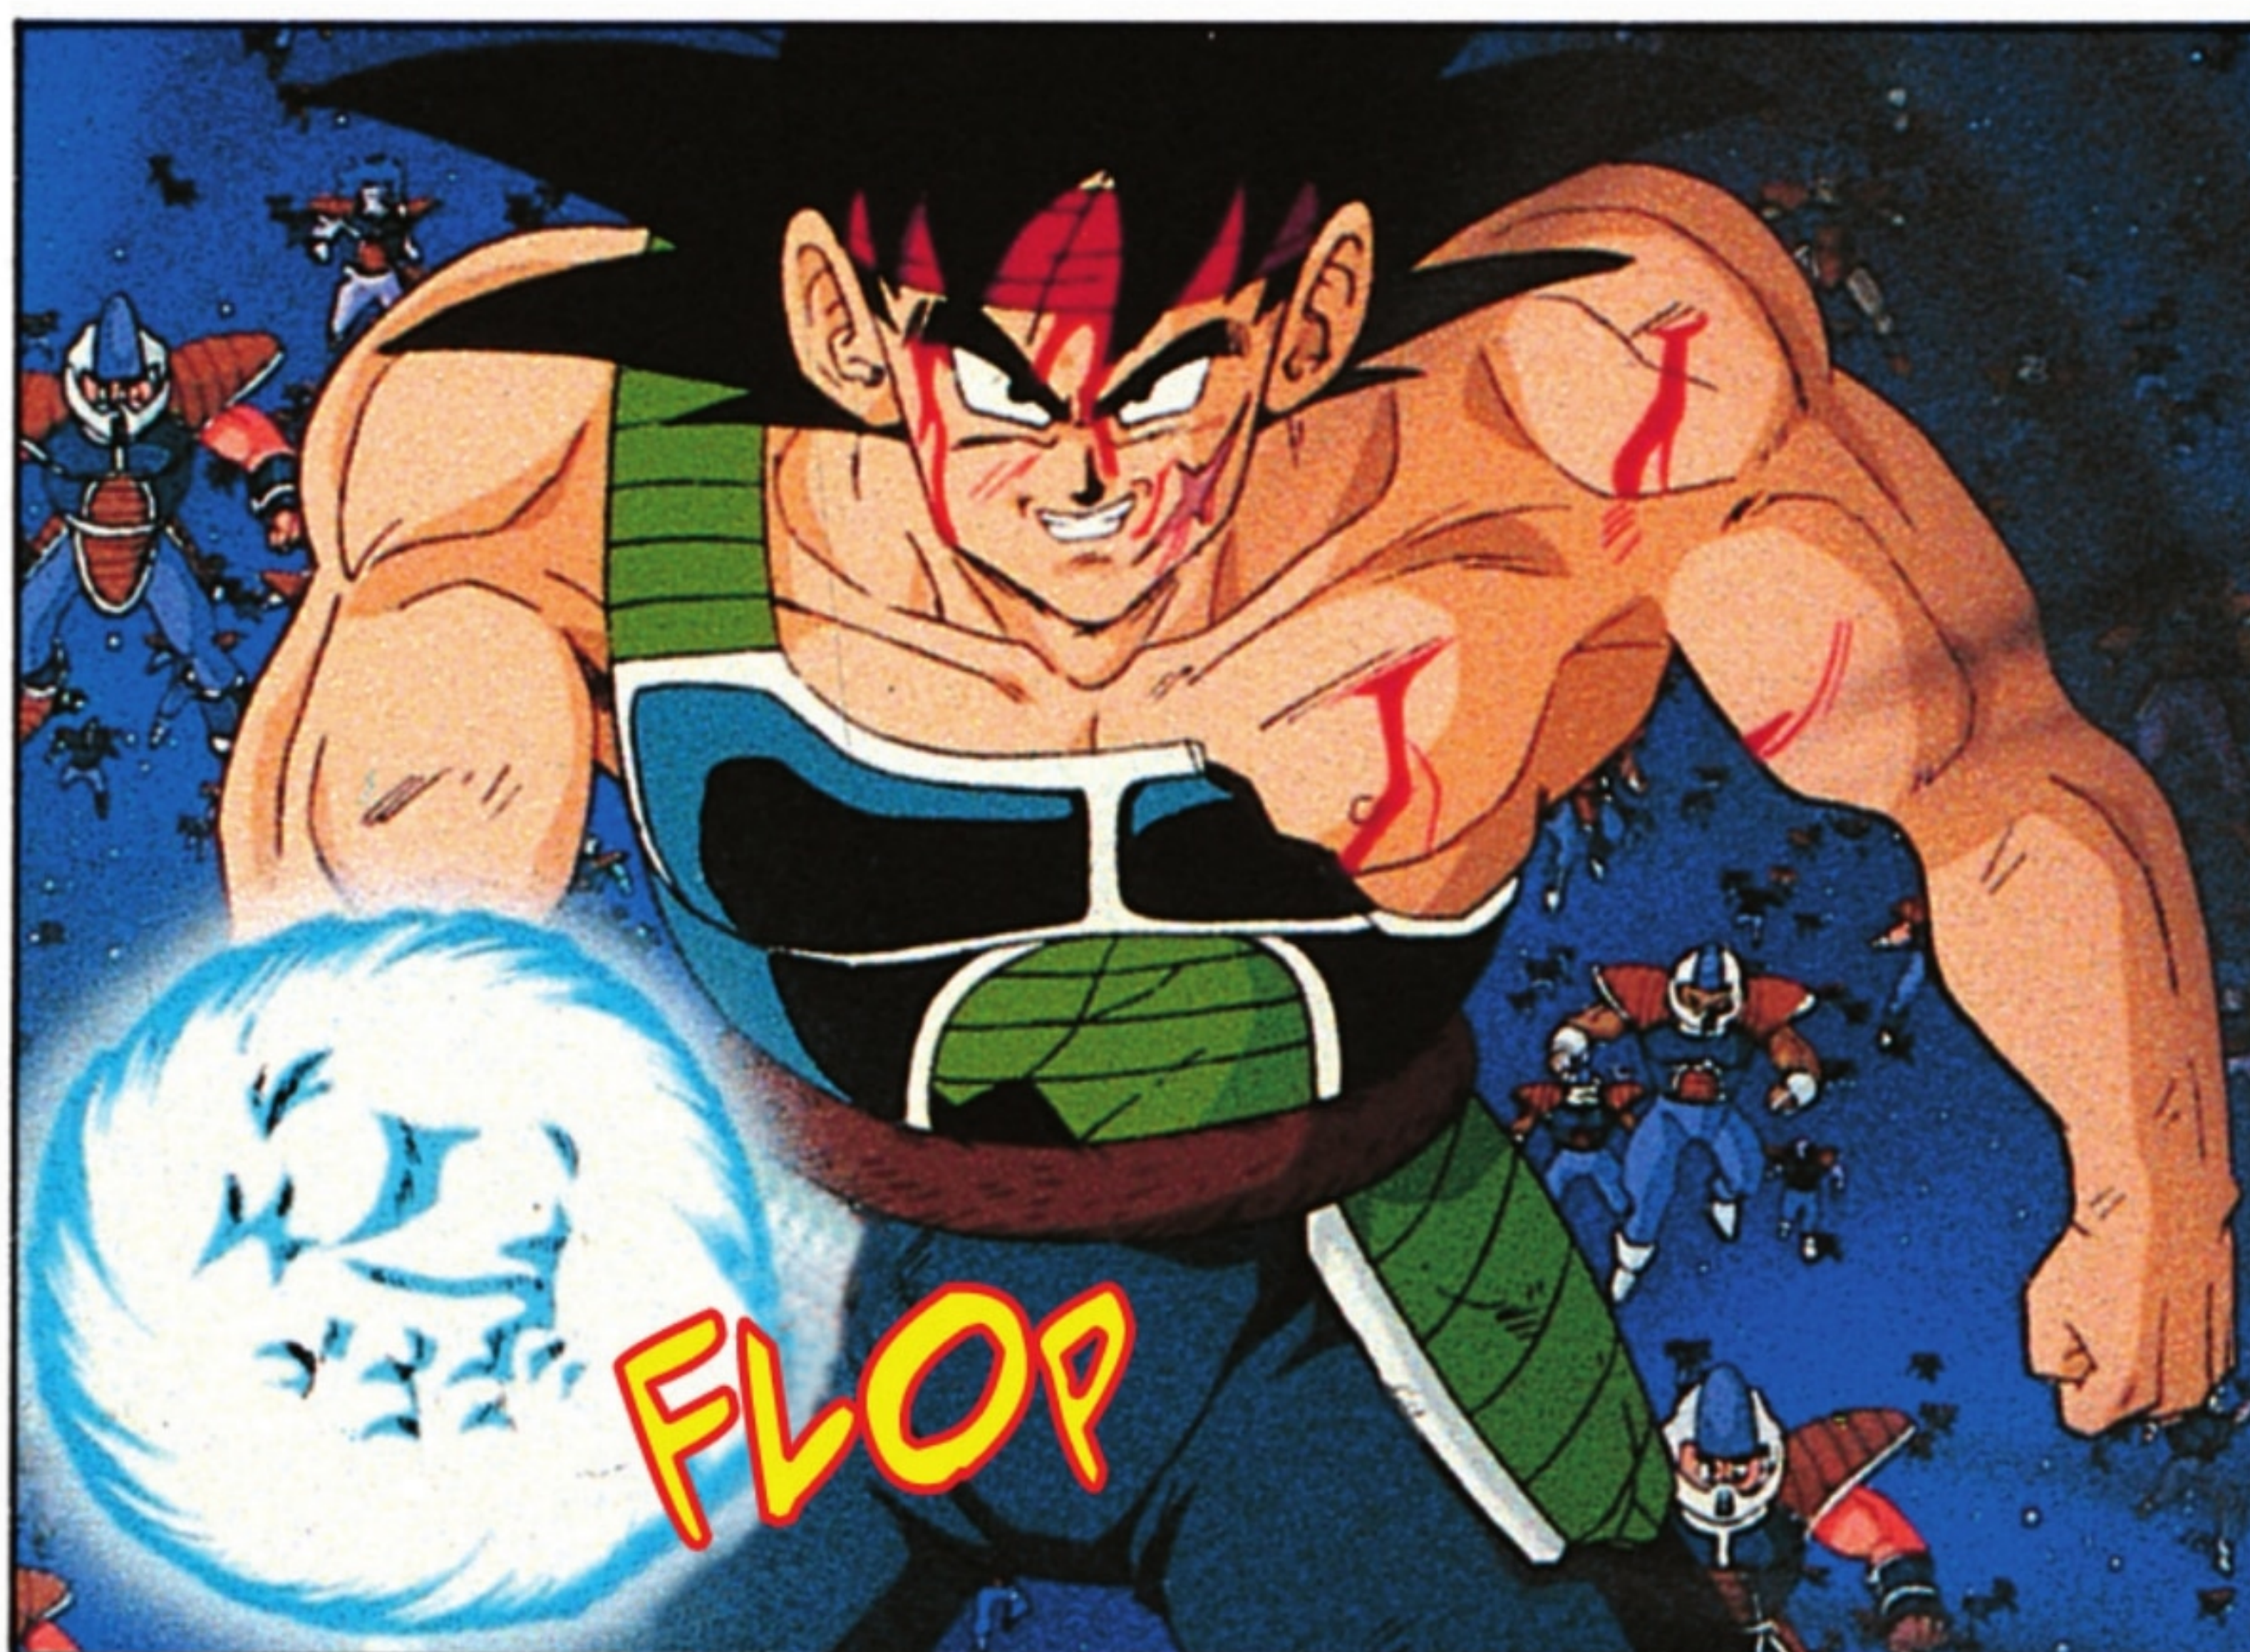

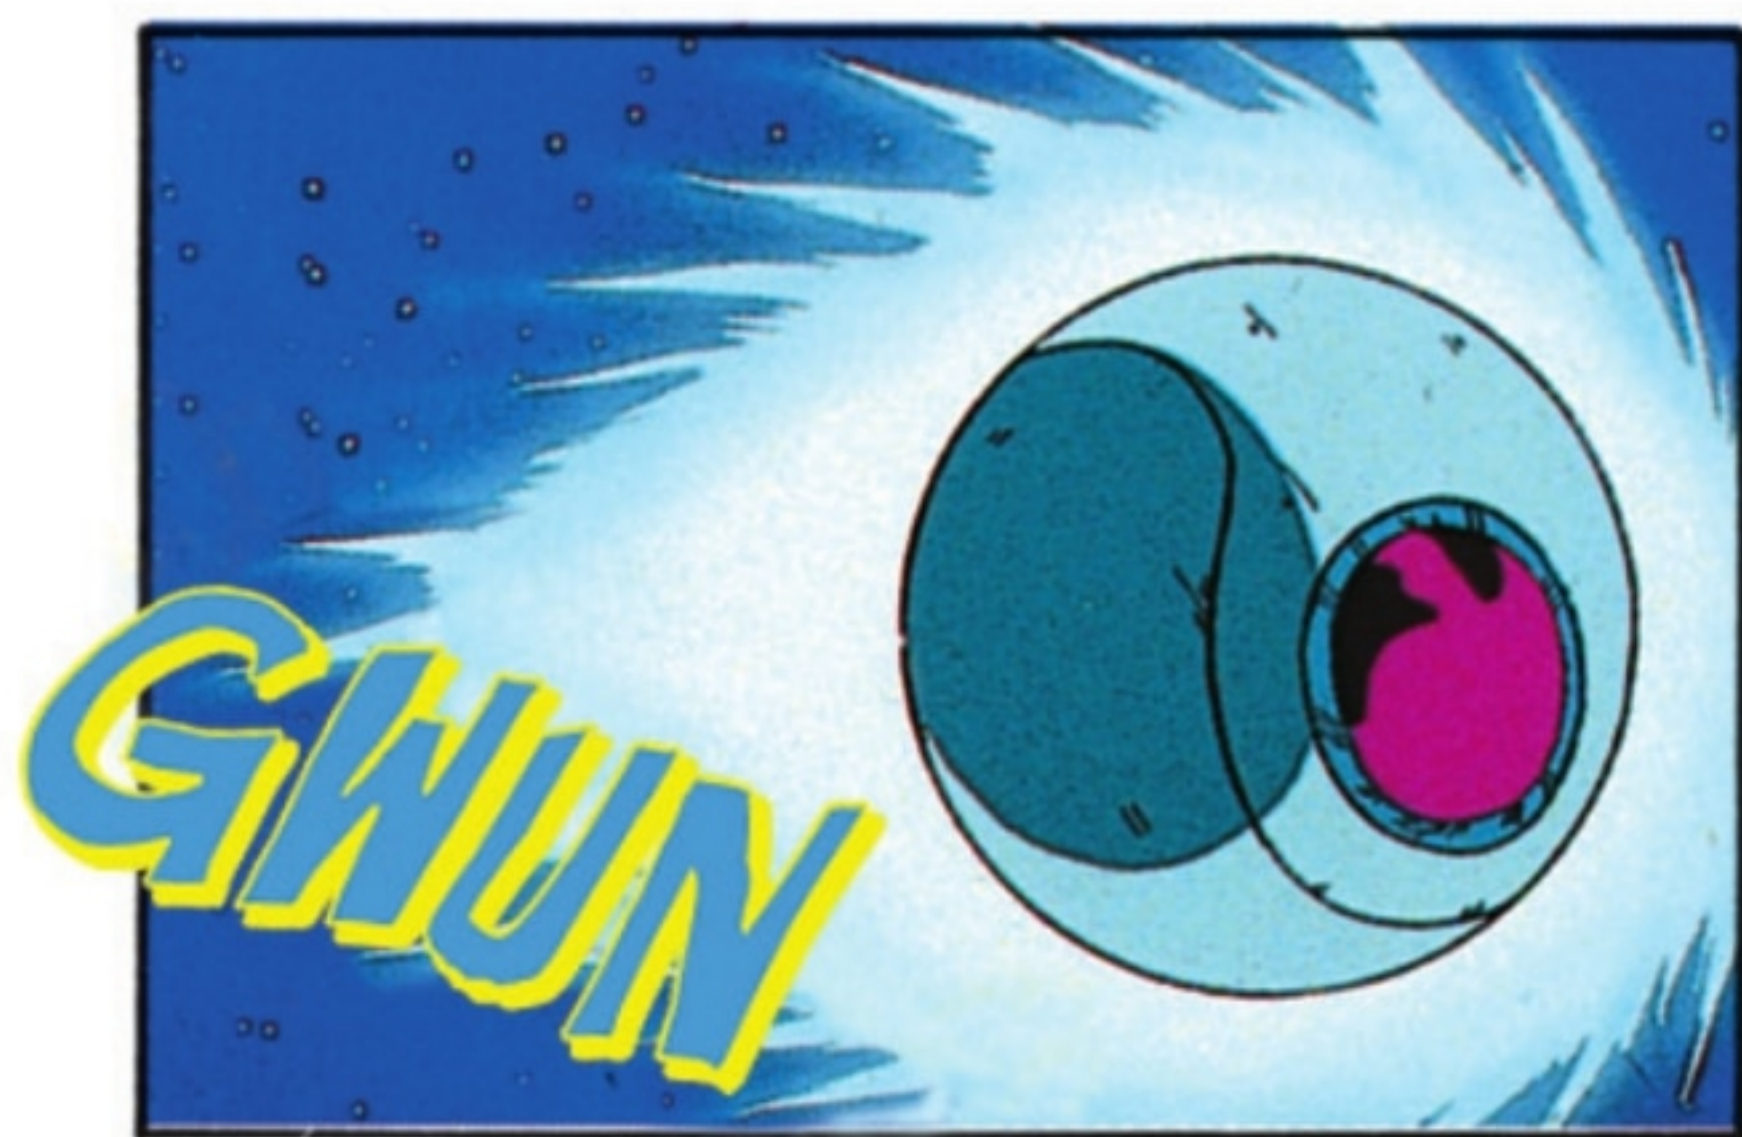

Cooler sous sa forme définitive ! Même Goku se retrouve pieds et poings liés ! Sa force physique et sa vitesse sont faramineuses.
